#2 The Personage of Man

#3 The Personage of Christ

INTRODUCTION

This is a small work of instruction and exhortation. We are rapidly approaching the end of an Age. As was prophesied within the Word of God, today's society is bulging with blatant disobedience and an active pursuance of Sin.

The emphasis on Sex is more pronounced in America today than it has ever been. Professed Christian men and women are *shacking up* together, not wanting to ensnare themselves with all of the restrictions and bondage that they believe comes with a Marriage Covenant. Or, at the very least, wanting to find out if they are sexually *compatible* with one another before they sign on the dotted line.

Christian youth groups, in churches throughout the country, are filled with young, hormonally charged men and women who date and indulge in casual Sex on Friday and Saturday nights, and yet are diligent to rise up early on Sunday morning to go to the local church and *worship* God.

Pulpits fail to preach and teach on holiness, purity, obedience, and the devastation that comes from interaction with Sin. And the silent minority within the country has become the silent majority, on issues of accountability, abstinence, and consecration . . . and they have remained noticeably silent.

An individual clarion call has been issued forth from Heaven to those who say “*we see*” (*John 9:41*), but the phones are being allowed to ring . . . and ring . . . and ring . . . and ring.

May wisdom cry and mercies prevail
before it is all too late.

TABLE OF CONTENTS

- 1 The Prototype **1**
- 2 Crossing Species-Barrier Lines **9**
- 3 Behavior Does Matter **19**
- 4 How Then Shall We Live **25**

CHAPTER 1

THE PROTOTYPE

The story . . . as it always does . . . begins with God.

God is the origin of all things created.

“In the beginning was the Word, and the Word was with God, and the Word was God.

The same was in the beginning with God.

All things were made by him; and without him was not any thing made that was made.” *(John 1:1-3)*

At some designated point in *Time* . . . in the beginning . . . God chose to create, and He used the instruments of words to do so. Words are an element of spiritual substance *(John 6:63)*, and prophetic words, are a collection of selective, creative words being held in suspension, for future fulfillment within the element of *Time*. The collective combination of words, being linked together correctly, becomes the manifestation of thought *(Romans 4:17)*.

Words precisely and accurately spoken . . . and combined with the substance of faith . . . will produce, spiritually or naturally, whatsoever desire is succinctly described *(Hebrews 11:1)*. That process is how both the material and the animated, moral creation took place *(Hebrews 11:3)*.

This Universe, and all of the worlds that are contained within it, are the product of the creatively spoken Word of God.

“Through faith we understand that the worlds were framed by the Word of God, so that things which are seen were not made of things which do appear.” *(Hebrews 11:3; Enhanced)*

Various worlds for planned habitation were created within the process of *Time*, and animated; moral life was brought forth to occupy those worlds. Biblically, they are today known of as *principalities, powers, thrones, and dominions* *(Colossians 1:16)*.

This particular habitat upon which we live was one of those worlds that were originally occupied by moral creations that God brought forth.

That first Social Order of individuals succumbed to the deception and lies of leadership, underwent rebellion, and received necessary judgment for their willful disobedience *(Jeremiah 4:23-26)*.

And, at a certain point in the ongoing process of *Time*, God purposes to begin once again, with a fresh new work *(Genesis 1:3)*.

“So God created Man in his own image, in the image of God created He him; male and female created He them.” *(Genesis 1:27; Enhanced)*

And God created a ***Manifested Animated Neophyte***, which He called a MAN. God specifically created His MAN to be as much like unto His own Personage, as it was possible. God is from the locale of Everlasting and is Immortal in His State of Existence. And His MAN was expressly created within the State of being Eternal . . . that is, having the capacity to live forever . . . so that God and His creation should be able to walk down through the unending corridors of *Time* together.

Since all of the necessary ingredients of both the male gender and the female gender of the species of Human Being, resides within His own Personage, when God brought forth the first MAN, and named him Adam, He transferred all of those ingredients of both the male gender and the female gender, into Adam's Terrestrial Human body (*Genesis 2:7*).

God loved His MAN Adam and invited him to work together creatively with Him on the *Animal Compliment Project* that was planned for this current Social Order. Adam was delightfully helpful and of great benefit . . . and he gave names to all of the created *Animal Compliment* subjects ordained for this Social Order, which we enjoy today.

At the conclusion of the *Animal Compliment Project*, when God observed the MAN Adam to be lonely because of there being no other creature like unto himself . . . He designed a female gender Human Being, to be his helpmeet.

In creating the Woman, God utilized some of the natural bodily elements of Adam, to construct another Terrestrial Human body. He then extracted all of the uniquely female gender ingredients that had been originally deposited within Adam and transferred and deposited those feminine ingredients into the Woman. In addition, there were also many necessary ingredients of Humanity that would continue to be mutually shared by both the male and the female gender.

Now, God has a male gendered Human creature named Adam, and a female gendered Human creature named Eve. And with these two prototype Express Image Human Beings (*Hebrews 1:3*), God can build Himself a genuine family . . . because these two created creatures were purposely brought forth **“in”** His very own **“image”** and **“after”** His very own **“likeness”**. . . for that specific reason (*Genesis 1:26*).

* * *

“And God blessed them, and God said unto them, Be fruitful, and multiply, and replenish the Earth, and subdue it. And have dominion over the fish of the sea, and over the fowl of the air, and over every living things that moveth upon the Earth.” (*Genesis 1:28a; Enhanced*)

God then instructs the Human couple to **“be fruitful”** and reproduce a new population for this restored

habitat (*Genesis 1:28*). God Himself is the One who originally *invented* Sex. Sex is His idea.

The **Primary Purpose** for the creation of Sex is to *increase the species number of Eternal Human Beings*. So that this increase might continue and endure over the Everlasting years ahead, He has made the activity of Sex something that is pleasurable, for both gender persons to enjoy.

But alas, before any God-class Human children could come forth from this couple, both Adam and Eve chose to rebel against the Lord and disobey God's original instructions.

That poor decision cost them their **Life**. Not their physical life at the first . . . that would come later. But it cost them their spiritual **Life** (*Genesis 2:17*). Their Living spirits leaked out all of the **God-Life** that was in them, and they passed from the condition of Spiritual Life unto the condition of Spiritual Death. They were *Born-Again* . . . but in reverse. Not from Death unto Life . . . but rather from Life unto Death.

The MAN then became a Living Soul (*Genesis 2:7*), and that condition of Spiritual Death is now passed on by every Human father, through the element of blood, to his children . . . right on down through the Ages (*Romans 3:23; 5:12*).

Blood is the chosen physical vehicle that God has designed to carry the **Force of Life** (*Leviticus 17:11*). The necessary blood production element is always carried and supplied by the male gender creature. And the blood systems that operate and flow within a mother,

and the child that she carries within her, are independent of one another and never intermingle. All of this is by Divine design. All of this is for a specific purpose.

* * *

Finally, a very important point of notation to consider:

“The heaven, even the heavens, are the Lord’s: but the Earth hath He given *unto* the children of men.” *(Psalms 115:16; Enhanced)*

On this planet named Earth, MAN is the one who is in charge and reigns supreme. Of all of the other worlds that the Lord God has created . . . and upon which exists intelligent life . . . this is the one world that holds the very focus of all Eternity. It is upon this planet, by God’s design, that He has created MAN.

MAN, by God’s design, is the created creature that is destined to rule God’s Universe. All of the handiworks of God’s hands are purposely put under MAN’s feet *(Genesis 1:28; Psalms 8:3-5; Hebrews 2:8)*.

By God’s design, it takes one Human male gender individual, sexually uniting with one Human female gender individual, to produce another God-class, Express Image, Human created creature that shall ultimately rule over God’s Universe.

Within that Divinely designed structure, the Human female gender individual has virtually been made the singular doorway unto established authority:

- The planet Earth is the Divinely decreed seat of Universal authority.
- One cannot carry Universal authority unless you are originally from the Earth.
- One cannot come from the Earth unless you come through the established doorway.
- The reproductive *Womb of a Woman* is the established doorway through which one must pass, if they are to come from the Earth, and carry Universal authority.
- Ultimately . . . even God had to do it that way!

* * *

If rebellious Satan, the Fallen-Angelic lord of darkness, can orchestrate his evil-associate Fallen-Angels . . . whom he shall definitively control through the power of Sin, forever . . . to sexually mate with female gender Human individuals, whom God has given Universal authority to . . . he can ultimately create an entire blood-defiled, authoritative, Race of Human Beings; that will also be under his control forevermore.

And, as his tool to be able to accomplish this delightful little feat, he will use something that God Himself personally designed and created . . . and that

is pleasurable . . . and that is fun . . . and that Human Beings will never object to . . . SEX! There is no doubt about it . . . it is a killer of an idea.

CHAPTER 2

CROSSING SPECIES-BARRIER LINES

The precise, detailed information that we have concerning Human life's activities on this planet . . . before the Flood event of a MAN named Noah . . . is somewhat limited.

“And it came to pass, when Human men began to multiply upon the face of the Earth, and daughters were born unto them,

That the fallen-angelic sons of God saw the daughters of Human men that they were fair; and they took them wives of all which they chose.”

(Genesis 6:1-2; Enhanced)

* * *

“There were giants in the Earth IN THOSE DAYS of Noah; and ALSO AFTER THAT, when the fallen-angelic sons of God came in unto the daughters of Human men, and they bare children to them, the same children became mighty men which were of old, men of renown.” *(Genesis 6:4; Enhanced)*

What we do know is that, in God's eyes, there was an unacceptable abomination that took place . . . which produced devastating results.

“And the fallen-angels which kept not their first estate, but left their own angelic habitation, he hath reserved in Everlasting chains within the locale of Tartarus, under darkness unto the judgment of the great day.” (Jude 6; Enhanced)

* * *

“For if God spared not the fallen-angels that sexually sinned, but cast them down to the Tartarus compartment of Hell, and delivered them into chains of darkness, to be reserved unto judgment;” (II Peter 2:4; Enhanced)

That unacceptable abomination seems to be connected with a sexual union that took place between Fallen-Angels and Human Beings.

Even though it has been stated, we need to be clear . . . we are not referring to Holy Angels as being involved with this abomination. Holy Angels are those magnificent hosts of Heaven that have remained faithful and loyal in their service to God, from the time that they were created.

The Angels involved with this unacceptable abomination are creations of Love, that are fallen from grace. They are part of the rebellious force that Lucifer, now known of as Satan, amassed in his attempted coup to overthrow God. They are kept subservient to Satan by the power within the Law of Sin, and their bondage to that Law (Romans 6:16).
