The Deeper Things of God Series

#1 The Personage of God

#2 The Personage of Man

#3 The Personage of Christ

Introduction

DISCLAIMER: So that YOU will be able to put down this little exposé work right now, before it burns your tender fingertips, and not be compelled to have to go any further, please be advised . . . we are going to be talking about the real Person of GOD, the written Word of God, and both Spiritual and Physical Life and Death Realities.

Should YOU be able to successfully, personally, avoid the reality of physical DEATH . . . whether now or later . . . then the material contained within this little work is *Not* necessarily for YOU.

Should YOU currently be so terrified of hearing the truth about spiritual realities of Life and Death, because much sooner than later your own personal misconceptions and falsehoods will be stripped nakedly away and exposed before your very eyes, then this little work is *Not* necessarily for YOU.

HOWEVER . . . please be advised . . .

YOU are a HUMAN BEING . . . and there is nothing that YOU can do about that, so there is no escape

from what is presented within these pages.

YOU are, most likely, dead in your vile and ugly sins and probably do not even know about the Spiritual Realm and about Spiritual Life and Death issues.

YOU will almost certainly physically die at some future point in time . . . and when **YOU** do, that fantasy-bubble that you are currently living within will suddenly burst, and **YOU** will be faced with the spiritual realities of the Life and Death issues that govern this entire universe. **YOU** will then suddenly believe in that which **YOU** currently ignore, and have chosen to *Not* believe in right now . . . but it will all be too late. Spiritual, mental, emotional, and physical **DESTRUCTION** will await **YOU**.

The spiritual reality is that **GOD** declares in His Word that He *“is not slack concerning his promise, as some men count slackness; but is longsuffering to us-ward, not willing that any should perish, but that all should come to repentance”* (II Peter 3:9).

But sadly most people are unaware of that truth, and so people, in general, are ultimately going to do, what people will normally do, regardless of God’s attempt to rescue them.

* * *

Why is it that people are so resistant to hearing the Truth? Are **YOU** resistant?

Do people really believe that this life is just one big exciting game? Some sort of designed *Circle of Life* like Walt Disney purports? Do **YOU** believe that this life is only a game?—Who put Walt Disney in charge anyway?

Do people really believe that there is no right or wrong? And that there is never going to be any requirement of accountability? That everyone that thinks that they are a *nice person* is going to go to Heaven when they die? That only *wicked people*, such as the evil person in the movie “Ghost”, ultimately go to Hell? Do **YOU** believe that nonsense?

Do Liars get to go to Heaven when they die . . . ? Who says that they do? Or doesn't it really matter if **YOU** are a liar?

Do Fornicators get to go to Heaven when they die . . . ? Who says that they do? Or doesn't it really matter if **YOU** are sexually liberal, because sexually, moral, behavior is only a matter of Social acceptance?

Do Homosexuals get to go to Heaven when they die . . . ? Who says that they do? Or is sexual *lifestyle* behavior simply dependent upon Societal acceptance? Who put the prevailing Society in charge anyway?

Do Drug Addicts get to go to Heaven when they die . . . ? Who says that they do? Or is deceptively-destructive, self-abusive, corrosive behavior just a matter

of personal choice?

Is *The Judgment Day* really going to be a real *Day*? Or have religious people simply made that *Day* up to scare us?

Do only the *Bad* and *Wicked* people have to go to Hell when they die? . . . Who is it that says that any-way, the *Nice* people?

Do all of the *Nice* people in the world automatically get to go to Heaven when they die? . . . Who is it that says that they do, the other *Nice* people? Who put the *Nice* people in charge anyway?

Who really says whether a person is *Naughty* or *Nice* to begin with? Santa Claus?

Where Is The Creator God or His Word Within This Picture?

Foundational Premise

- #1. The fallacy, of the notion of *The Evolution of Man*, is a genuine myth fabricated by men and comes straight from the Pit of Hell . . . and . . . the reality, of *Original Creation by God* concerning all things, is the actual reality that comes from the Spirit of Truth.
- #2. HUMAN BEINGS . . . did not originate as swamp slime, or amoebas, or fish, or lizards, or monkeys, or any other kind of creature that innately belongs to the complimentary Animal Kingdom.
- #3. HUMAN BEINGS . . . did not *evolve* in the past, and are not *evolving* in the present, in any aspect . . . and are not right now on the top-shelf of candidates and the highest creature of the animal compliment *food-chain*.
- #4. HUMAN BEINGS . . . were never any kind of prehistoric *cavemen* that eked out their existence and livelihood by bludgeoning to death the animal compliment that was all around them, and were able to continue because of the survival of the fittest.

Reprobate, sin-saturated, God-hating, two-dimensional thinking men, have put forth their postulations of occurrences, within the corridors of *time*, based on faulty *scientific* evidence, that has been custom tailored to fit their own particular wicked beliefs and evil agendas.

Use Your Brain!

Does a God of ordered Creation really exist . . . or does He not? **Or** maybe this extremely complex universe is simply a Godless void that somehow *just happened* on its own from the explosion of a Big Bang? Boom!

Is there really an unseen enemy known of as the Devil . . . whose actual name is Satan . . . or is there not? **Or** is he merely an animated fictional character created by Stan Lee and MARVEL comics?

Do readily known Demon entities really exist . . . or do they not? **Or** are all of the demon-possessed people of this world simply medically *bi-polar* or *schizophrenic*?

Is there really an active, functioning, invisible world that we cannot see . . . or is there not? **Or** are we all deluded, and the multitude of all of the established evidence that we have for the existence of that world, just simply fabricated?

Is the certainty of physical DEATH something that is really real . . . or is it not? **Or** do we simply go to the funerals of friends and family just to get some free

food?

Was Jesus Christ of Nazareth, a real historical person who walked upon this Earth . . . or was he not? **Or** is he only the *figment* of millions of people's imaginations?

For two-thousand years this world has hated the Jewish people, and they have been stigmatized and labeled as the "Christ Killers" . . . is that true or false?

In these last days that we are living in right now, the world is rapidly moving toward a hatred of genuine Christian people, because genuine Christians choose to believe the Bible, and purpose to live in a godly manner . . . is that true or false?

Are you really sure that you are a real person . . . or possibly not? **Or** are you simply a blow-up fabricated facsimile that chooses to spew out vulgarity, think foul thoughts, and behave in a reprobate manner?

To all of the questions hence posed . . . Get a Grip!

* * *

We are going to purpose to reference the Word of God or (the Bible) or (the Scriptures) for the remainder of our study.

*So, if **YOU** can personally **prove** that the Word of God is just simply another book, and is not really the record of Truth . . .*

then you do not need to, and should not, listen to anything else that this author has to say.

*However, if **YOU** cannot **disprove** the Word of God as being genuine, and from God . . . then **YOU** had better tune in, and listen to what is presented within this work.*

The Creator God Creates A M.A.N.

As the Supreme Spirit Being of the Universe . . . and with the desire to produce an intimate family of His own . . . the Almighty Creator God purposes to create and bring forth a moral creature, that is as close to being like Himself as He possibly can.

“And God said, Let us make a man . . . a (Manifested Animated Neophyte) in our own interior image, and after our own exterior likeness: and let all of them have authoritative dominion over all of the fish of the sea, and over all of the fowl of the air, and over all of the cattle of the field, and over all of the earth, and over every creeping thing that creepeth upon the earth.”
(Genesis 1:26; Enhanced)

This new creature is a unique *Species* of creation, and shall be labeled as **THE HUMAN BEING**.
