# The Immutability of Counsel

W ithin a tract written by a man named Winkie Pratney, who is associated with the Last Days Ministries in Lindale, Texas, the mathematical precision of the Scripture is demonstrated through the work of a young Russian Harvard graduate named Ivan Panin, which was begun by Mr. Panin in 1882. Mr. Pratney's presentation is quite impressive and impacting. He goes on to say:

*“The whole Bible is like this. I am just taking one small chunk of it and doing it in detail. Every paragraph, passage and book in the Bible can be shown to be constructed in the same marvelous way. What kind of fantastic collaboration between the disciples could have produced this structure without computers? How could mere fishermen and tax-collectors produce this kind of incredible structuring and design? What is crazy is that Mark is a Roman, Luke a Greek, and Matthew a Jew, but they all wrote with the same pattern. Each one wrote with their own unique flavor. Mark's style is different, but the pattern is the same right through! So who wrote it? One Mind, one Author . . . one God . . . many different writers, but one Writer. Can you imagine what kind of Mind would do this and not even care if you ever found out? What I want you to see is how smart God is! These are not just words, it's an incredible*

*mathematical pattern. It dances with its own poetry in mathematics. A computer would go into raptures over this! It's like a building where every piece joins perfectly into each other. And what is wild, is you can't pull even **one** word out, without damaging the whole pattern. So the Bible carries within itself, a self-checking, self-verifying protection factor. If a person comes along and says I don't like this one, the whole pattern falls apart. This cannot be found in any other religious 'holy' book in the world."*

On March 20, 1969, at a meeting of the Pediatric Society, a man named Dr. Richard L. Day (who had been an instruction professor since 1935) and had just finished his term as National Medical Director of Planned Parenthood. Moreover, was currently a professor of pediatrics at the Mount Sinai School of Medicine, and who was considered an **insider** within something called **The Order** was quoted as saying:

*"You will forget most or much of what I am going to tell you tonight . . . the old religions will have to go . . . especially Christianity. Then a new religion can be accepted for use all over the world.*

*It will incorporate something from all of the old religions to make it more easy for people to accept and feel at home. Most of the people will not be too concerned with religion. They will realize that they do not really need it.*

*In order to do this, the **Bible** will be changed. It will be re-written to fit the new religion.*

*Gradually, **key words** will be replaced with new words having various shades of meaning.*

*Then the meaning attached to the new word, can be close to the meaning of the old word . . . and as time goes on, other shades of meaning for that word, can be emphasized . . . and then gradually that word replaced with another word.*

*The few who do notice the difference will not be enough to matter . . . And, the churches will help us!"*

\* \* \*

It was stated that the idea within this calculated assault upon the Word of God, is that everything within the Scripture does not need to be rewritten . . . just certain **key words** to be replaced by other words.

The variability in meaning attached to any word can be used as a tool to change the **entire** meaning of the Scripture, and, therefore, make it acceptable to this *new* religion. Most of the people will not even know the difference.

It was also stated that Dr. Day was concerned that if what he had stated within that relaxed environment ever really became publically known, that his days would be numbered. Within just a few short months, Dr. Day was dead.

\* \* \*

The whole of this study of The Deeper Things of God finds its basis within the unchanging Word of God, utilizing only the King James Version Translation of the Bible—and no other translation version will be acceptable for use within this study.

The supreme authority on the subject of God is God Himself. He has granted unto us ***“all things that pertain unto life and godliness, through the knowledge of him that hath called us to glory and virtue.”*** (II Peter 1:3b)

Jesus of Nazareth said, ***“Sanctify them through thy truth: thy word is truth.”*** (John 17:17)

Therefore, we will rely totally upon the written Word of God and upon the Word-of-God-supported, Holy Spirit revelation, in the presenting of spiritual truth and existence realities.

\* \* \*

***“The Law of the Lord is perfect, converting the soul: the testimony of the Lord is sure, making wise the simple.***

***The statutes of the Lord are right, rejoicing the heart: the commandment of the Lord is pure, enlightening the eyes.***

*The fear of the Lord is clean, enduring for ever: the judgments of the Lord are true and righteous altogether.*

*More to be desired are they than gold, yea, than much fine gold: sweeter also than honey and the honeycomb.*

*Moreover by them is thy servant warned: and in keeping of them there is great reward.” (Psalms 19:7-11)*

\* \* \*

*“To the law and to the testimony: if they speak not according to this word, it is because there is no light in them.” (Isaiah 8:20)*

\* \* \*

*“So shall my word be that goeth forth out of my mouth: it shall not return unto me void, but it shall accomplish that which I please, and it shall prosper in the thing whereto I sent it.” (Isaiah 55:11)*

\* \* \*

*“For the word of God is quick, and powerful, and sharper than any two-edged sword, piercing even to the dividing asunder of soul and spirit, and of the joints and marrow, and is a discerner of the thoughts and intents of the heart.” (Hebrews 4:12)*

\* \* \*

*“Wherein God, willing more abundantly to show unto the heirs of promise the immutability of his counsel, confirmed it by an oath:*

*That by two immutable things, in which it was impossible for God to lie, we might have a strong consolation, who have fled for refuge to lay hold upon the hope set before us.”* (Hebrews 6:17-18)

\* \* \*

*“We have also a more sure word of prophecy; whereunto ye do well that ye take heed, as unto a light that shineth in a dark place, until the day dawn, and the day-star arise in your hearts:*

*Knowing this first, that no prophecy of the Scripture is of any private interpretation.*

*For the prophecy came not in old time by the will of man: but holy men of God spake as they were moved by the Holy Ghost.”* (II Peter 1:21)

\* \* \*

The testimony of the Word of God applies to every subject or situation that we may encounter. The Word of God is our foundation . . . the Word of God is the bottom line . . . the Word of God is the end of the story . . . the Word of God is what God is. Everything that we will be looking at within our studies will find its foundation within the Word of God.

# The Study of Man

The *New Webster's Dictionary* defines:

**Man** 1)n. a human being; esp.: an adult male human 2) a man belonging to a particular {**Creation**} category (as by birth, residence, membership, or occupation) 5) the compound idea of infinite Spirit: the spiritual image and likeness of God: the full representation of Mind

**Man** is a *finite* being, which means that he is restricted by natural and supernatural limitations.

A *finite* being **cannot** fully comprehend the *infinite* Being because there is no common point of reference to measure from, within the everlasting contexts that exist.

\* \* \*

*“When I consider thy heavens, the work of thy fingers, the moon and the stars, which thou hast ordained;*

*What is man, that thou art mindful of him? and the son of man, that thou visitest him?*

*For thou hast made him a little lower than God, and hast crowned him with glory and honor.*

*Thou madest him to have dominion over the works of thy hands; thou hast put all things under his feet:*

*All sheep and oxen, yea, and the beasts of the field;*

*The fowl of the air, and the fish of the sea, and whatsoever passeth through the paths of the seas.”* (Psalms 8:3-8)

As we begin our study of MAN, it is appropriate that we consider the same question as did the psalmist King David. The answer, of course, is found within the Word of God.

*“And God said, Let us make man on the inside of his being in our own image, and on the outside of his being after our own likeness: and let all of them have dominion, power, and authority over all of the fish of the sea, and over all of the fowls of the air, and over all of the cattle in the fields, and over all of the whole earth, and over every single creeping thing that creepeth upon the earth.”* (Genesis 1:26)

An *enhanced* version of the Genesis verse above conveys the divine intended thought behind the declared statement that God made, when the time came to bring into existence a superior created creature that would be as close as possible to being like the Personage of God Himself as could be achieved.

It should be an understood *no-brainer* that within this singular functioning, created universe, there is no Being currently existing who is greater than the One and only, who brought forth the whole of the universe in the first place. The Person of God is the Supreme Being. The Person of God is the bottom-line Source. The Person of God is the Almighty Creator. And any ideas or postulations or proposals to the contrary, are those notions that emanate forth from a sin-defiled, two-dimensional, delusional mindset that purposely avoids the Record of Truth in order to impose their self-exalting positions of uncertainty upon the unsuspecting associate dupes within Mankind.

There are indeed other moral creations that God has brought forth before Man became the center of attention. The *Creation Category #2* of intelligent, moral, free-willed beings would be the *Angelic Hosts* of heaven, and the *Creation Category #3* constituency of intelligent, moral, free-will beings are the *Other Creatures* (*Romans 8:39*) that occupy various locales within this universe, and some of which, were the first inhabitants of this planet Earth.

But *Man* and *Man* alone holds the *Creation Category #1* position and is the only moral created creature that the God of Creation brought forth specifically *in* His own *image* and *after* His own *likeness*. (*Genesis 1:26*) Man was to be unlike any of the other moral beings

that God had created. Man was to be without precedent. Man was destined, right from the beginning, to rule.

## Prior to Man

*I*n the Beginning of the creation process, God brings forth the *Basic Creation Elements* of *Air, Water, Soil, and Fire*. The first three of these Basic Creation Elements are constructive. They are going to be used in the construction of galaxies, and stars, and planets . . . and specifically will be needed for the amenities that will come forth on various planets during the formation and development of this universe. (*Jeremiah 1:12*)

Once the universe is in the active process of progressive development, divinely calculated inanimate creation occurred, within focused preparation of the animate moral creation that would soon follow. God ordained, intelligent, moral associates, of the *Creation Category #2, Angelic Hosts* are then created, that will be utilized in the fabricating and constructing of various cities and residences on various planets, and additionally, will be attending to the other myriad of nuances of universal growth and progression.

Free-will gifting is accompanied by personal visionary desires, and granted morality includes a substantially intelligent thought-process. Primarily, the *Basic Creation Element* of *Air* is utilized within the formation of these creatures belonging to the heavenly *Angelic Hosts* compliment of beings, as can be

determined by the following Scriptures:

***“By the word of the Lord were the heavens made; and all the host of them by the breath of his mouth.”*** (Psalms 33:6)

\* \* \*

***“For he spake, and it was done; he commanded, and it stood fast.”*** (Psalms 33:9)

\* \* \*

***“Praise ye the Lord. Praise ye the Lord from the heavens: praise him in the heights.***

***Praise ye him, all his angels: praise ye him, all his hosts,***

***Praise ye him, sun and moon: praise him, all ye stars of light.***

***Praise him, ye heavens of heavens, and ye waters that be above the heavens.***

***Let them praise the name of the Lord: for he commanded, and they were created.”*** (Psalms 148:1-5)

\* \* \*

After a designated period of time, which is incalculable, lower, gravity-bound, *Creation Category #3* constituencies of *Other Creatures* (Romans 8:39) are then brought onto the scene in various universal locales, utilizing primarily the *Basic Creation Element of Soil*.

There is no Scriptural support of either the heavenly *Angelic Hosts* or of the terrestrial *Other Creatures* having received any reproductive-permission from God. So whether the original creation of them was uniquely individual or of an en masse nature is unsubstantiated at this time, at least by this author.

From this point onward within our studies of the Personage of Man, and definitively focusing in on this particular planet named Earth, these *Other Creatures* are noted as being intelligent, moral, and of a free-will volition. They also can fabricate and construct cities (*Jeremiah 4:26*) and purpose to separate themselves into various nations. (*Isaiah 14:12*) When the judgment occurs for all of the rebellious participants within the *Angelic Probationary Period*, the judgmental flood waters that cover this planet Earth (*Psalms 104:6*) drown and destroy the physical bodies of the *Other Creatures*, and they become the disembodied evil spirit beings that today we refer to as *Demons*.

One of the numerous judgmental actions that occurred concerning the planet Earth, at the conclusion of the *Angelic Probationary Period*, is the blocking of all ambient light sources that have an effect upon this globe. (*Jeremiah 4:23*) That blocking action causes the recently released flood waters to freeze, and an Ice Age period commences to occur, and as of yet, there exists no area of locale that either of the rebellious

*unholy Fallen Angels* nor of the disobedient *Other Creatures* may be definitively assigned to for continued abiding.

\* \* \*

***Special Notation:*** *There is no Scriptural support anywhere of the Human-proposed idea of “annihilation from existence.” Once a creature is either originally created or permissively reproduced, they are in the reality of existence to stay. Their particular eternal abiding locale, within their existence, is what is in question.*

\* \* \*

***“For a fire is kindled in mine anger, and shall burn unto the lowest hell, and shall consume the earth with her increase, and set on fire the foundations of the mountains.”*** *(Deuteronomy 32:22)*

***“Then shall he say also unto them on the left hand, Depart from me, ye cursed, into everlasting fire, prepared for the devil and his angels:”*** *(Matthew 25:41)*

\* \* \*

Prior to the first universal rebellion of intelligent, free-willed, moral creation there was no valid reason for a God of Love to be angry. Prior to the first rebellion of intelligent, free-willed, moral creatures, there was no

valid reason for a God of Love to carve-out, or *prepare* a locale for incarceration of disobedient and rebellious creation—even though Foreknowledge is aware of the disobedient actions that will occur. (*Isaiah 46:10*) However, the time has now come, and there can be no further delay.

*The World of Departed Spirits . . . or The Region of the Damned . . . or The Nether World* (in addition to *Hell*) are just a few of the names that have been ascribed to the *prepared* locale that the disobedient and contentious creatures within this universe will remain consigned to forever more.

They have consciously, willingly, and knowingly chosen to rebel against the living God—and God has given unto them a viable opportunity to change their minds—but they have adamantly refused to accept and benefit from that offer and now they are relegated to remain separated from God, and from all of the other intelligent, moral, free-willed creations that God has graciously brought forth for His pleasure.

The location of Hell was originally prepared for the Devil and his angels, (*Matthew 25:41*) but when Mankind comes onto the scene (and for a second time free-will rebellion can occur again) the locale will be sufficient to house the Human, **“vessels of wrath fitted to destruction”**, as well. (*Romans 9:22*)

At the outset, the entire locale of *Hell* is void.

There are five separate compartments that are prepared in line with Foreknowledge, but the actual bringing forth of the locale was originally an after-the-fact preparation caused by necessary judgment. (*Deuteronomy 32:22; Matthew 25:41*)

The locale of *Hell* has a layered construct. Two of the compartments are at an upper-level (two of the compartments are on a first-floor level) and one of the compartments is in the basement.

**1) Paradise (*unto the Gentile*) . . . Abraham's Bosom (*unto the Jew*):**

*“And it came to pass, that the beggar died, and was carried by the angels into Abraham’s bosom: the rich man also died, and was buried;”*  
(*Luke 16:22*)

*“And Jesus said unto him, Verily I say unto thee today, Shalt thou be with me in paradise.”*  
(*Luke 23:43*)

The first spiritual reality that we need to understand is that this story of the rich man and the beggar is **not** a parable. Specific people are not ever named within a parable as Lazarus is named within this story. Moreover, Jesus is not using familiar objects that the people around him would be able to understand, to

convey a spiritual truth. Jesus is telling us of an actual incident that occurred, and giving us an insight into the realm that we cannot see with our physical eyes at this present time.

Secondly, we need to adjust *uninspired punctuation* to reflect the correct intended thought and declaration in line with the actual truth. Jesus did not go into the *Paradise* compartment on the very same day that he died. Jesus went where I would go if I was the one hanging on the cross instead of him, and paying for my sins.

*Paradise*, as it was known by the Gentiles, or *Abraham's Bosom*, as the Jews knew it, is an upper-level compartment, and is the first one that we shall look at. It is positionally located somewhere under the crust of this planet.

If we have ever seen a rock quarry, or are familiar with the dirt and rock composite make-up of this planet, then we know that giant caverns are not simply just indiscriminately scattered in various locales under the outer crust of this Earth. There are certain caves and caverns such as the Carlsbad Caverns that are of a *natural phenomenon* it is true. However, the *Region of the Damned* is an area that was purposely and meticulously prepared by God. So there is at least one, generally large location that has been established concerning this Spiritual-Housing-Project for the spiritually-

criminally condemned. Additionally, there are at least two entrances to this housing project that shall become manifest concerning this abode, under the crust of this planet.

That specific location has been *hollowed-out* by God, after the conclusion of the Angelic Probationary Period, and prior to the creation of Adam and the beginning of the Mankind Probationary Period. Additionally, that locale has been designed and designated as the *to-be-permanently-confined* residence of the disobedient and rebellious spirit-souls of created creatures. This large hollow is most probably located some distance of depth under the city of modern-day Babylon, which is located within the country of Middle-Eastern Iraq.

This particular upper-level compartment was designed to be as comfortable as God could make an abode of confinement. Moreover, the temporary residents that we shall observe within this locale are only going to be of the disembodied spirit-soul Human Being category. It is not beyond our comprehension to imagine trees, grass, streams of water, and other pleasantries being provided for those who would be spending an extensive amount of time within this locale, until the promised redemption comes to pass.

Understand that God's locale of Heaven was *closed-for-repairs*, ever since Adam's disobedience and his falling prey to the Law of Sin. (*Romans 5:12*) Within all of the
