

The League of The Immortals

THE REALITY OF A SPECIFIC SECT OF
“THE CALLED” DESTINED FOR
DIVINE-FAMILY FULFILLMENT

Within the scope of the created Everlasting . . .
What is God’s designed desire for the Moral
Creation that He has brought forth . . . in
particular—the creation of MAN?

All scriptures used in this work are taken from the
King James Version of the Scriptures.

Table of Contents

1. Shall We Begin With Questions? 1
2. Spiritual-Reality-Truths 3
3. Postulations of Fantasy 36
4. Entrance Into The League 41
5. Functioning Within The League Today 45
6. The League of Immortality Future 52
7. Final Thoughts 56

CHAPTER 1

Shall We Begin With Questions?

1. Is there truly a real, living being that we shall refer to as God? Yes or No? Where did He possibly come from?
(Genesis 21:33; Psalms 93:1-2; Proverbs 8:22-23; Isaiah 40:28; Romans 16:26)
2. Is He a Creator God, or simply a Supreme Being caught up in the midst of the Big Bang, Evolutionary Process of this Universe? *(Genesis 1:1; Romans 1:25; I Peter 4:19)*
3. Are there truly a multitude of various other *(false)* “gods” *(Exodus 18:11; 20:3; Psalms 96:4-5; Isaiah 44:8)* . . . and if there are . . . where did they possibly come from? *(Isaiah 44:9-11)*
4. At some point in time, do YOU believe that you are going to physically die? *(Hebrews 9:27)* Yes or No?
5. What do you think will happen to YOU when you physically die? *(Hebrews 9:27)* How do you really know?
6. Do YOU believe that there is a place called Heaven? *(Genesis 1:1; II Corinthians 12:2)* and what do you think that Heaven is really like?

7. Do YOU believe that there is a place called Hell (*Deuteronomy 32:22; Matthew 25:41*) . . . and what do you think that Hell is really like?
8. If YOU truly had a choice . . . would YOU rather go to Heaven, or do YOU prefer to go to Hell? (*Deuteronomy 30:15-19*)
9. What do YOU think is needed to get YOU into Heaven? (*John 3:16; Ephesians 2:8; John 1:12*) Why do YOU think that?
10. Why would any intelligent person simply do nothing . . . concerning real Spiritual-Reality issues . . . while they are yet here on this Earth . . . and then hope for the best when they physically die?
11. What are YOU planning to do? Then when are YOU planning to do it?

CHAPTER 2

Spiritual-Reality-Truths

Shall we address bottom line, basic, universally foundational, the buck stops here, Spiritual Reality Truths?

1) The first Spiritual-Reality-Truth that needs to be understood is that of ORIGIN.

Humanity . . . Mankind . . . Human Beings . . . YOU . . . are not simply a product of Evolution. The divinely designed Humanity category of Moral Creation does not in any wise belong to the non-moral, complementary, Animal Kingdom that was specifically designed for burden bearing, companionship, and sacrifice or food. Humanity does not find its origin as a mysterious “spark” of life, following a Big Bang, bubbling up within some amoeba, swimming in a distant swamp somewhere.

The “Theory of Evolution” is a flawed theory. It is a man-made, unsubstantiated, untenable, non-scientific, dogma concoction, of postulations that have emanated forth from the minds of Sin-saturated, two-dimensional thinking men, and women. They are Hell driven, deceived, Human Beings desiring to foist and promote their own personal God-eliminating beliefs on millions of unsuspecting other Human Beings. Unfortunately,

they shall sadly receive the recompense that ultimately follows a believing of blatant lies and falsehood.

The “Theory of Evolution” has been successfully debunked numerous times, but the groundswell of God-hatred has been so overwhelming by a Sin-saturated, lost and dying world, that successful silencing has been achieved for the most part.

There is not even a distant possibility of homogenizing the reality of genuine Creation and the proposed Evolutionary Theory. Believing the devious lies, and living accordingly, is tantamount to creating the very lies in the first place. The spiritual consequence and final reality of those actions shall be the same, DEATH . . . both physical and spiritual.

Humanity . . . Mankind . . . Human Beings . . . YOU . . . are the absolute *piece’ de resistance* of creation, from the Mind and Hand of the Everlasting, Living, Benevolent Master Creator of all things (*Genesis 1:26-27; Psalms 8:4-5 [original Hebrew being ELOHIM, not angels]*).

The Self-Existent, Omniscient, Omnipotent, Omnipresent, Living, Creator of all things initiated the Measurement Gauge of *Time*, brought forth the three Realms of Existence, formulated the Vast Expanse of this Universe, and made all things contained therein (*John 1:1-3*).

1. Originally, Man was made *in* the precise, inner, *Image*; and *after* the precise, outer, *Likeness* of God, and was given clear instructions concerning the affairs of this Life (*Genesis 1:26; 2:16-17*). (*Within our understanding of what the totality of a "Person" is: that is, all of the myriad elements that are involved concerning personality, specialty, uniqueness, individuality, etc. . . . God patterned and created the Man using Himself. God is the original. . . Man is the carbon copy. God created the inside of the Man to be just like the inside of His Own Person. And God created the outside of the Man to look just like the outside shape (John 5:37) and form (Philippians 2:6) of Himself. "In" His image, "After" His likeness.*)
2. The Man named Adam, disregarded the clear instructions concerning the issues of Life, and knowingly, willingly, and consciously acted contrary to, and against, that which he full well knew to be right and true (*Romans 5:12*).
3. Man as a created *Species*, fell from his position of ordained Grace and became Sin-affected. (*Adam and Eve's original "Human-Nature" was adversely altered, and became a "Human/Satanic-Nature" in line with whom they had obeyed (Romans 6:16). They will now be inclined to do their own "thing" instead of obeying the commands of God.*) Additionally, continuing to abide by a Spiritually Dead condition, and refusing to repent when given the

opportunity, he eventually Physically Died a little less than one thousand years after his purposed creation (*Genesis 3:9-12; 5:5; 6:3*).

4. As a created *Species*, Sin-defiled Man reproduced exponentially, and in the process of *Time*, ***“the thoughts of men’s hearts was only evil continually”*** (*Genesis 6:5*).
5. Four thousand Sin-filled years of *Time* must now pass until the fulfillment can take place, of the first Scripturally, God-ordained, promise of Divine rescue (*Genesis 3:15; John 3:16; Galatians 4:4*).
6. YOU, as an individual person, came forth at the appointed time, in an inherited, Sin-defiled, spiritual condition, and now it’s time for YOU to choose (*Deuteronomy 30:15-19; Romans 5:12; 3:23; 6:23*).
7. Each Human Being . . . every member of Humanity . . . Mankind as a *Species* . . . YOU . . . are now **required** to make a decision (*Deuteronomy 30:19*). Spiritual issues concerning the assurance of continued Life consequence do not simply automatically happen because YOU exist. (*You are destined to exist forevermore. However, you do not get to simply Physically Die, and go to Heaven. You must surrender to the finished work of Jesus on the cross of Cavalry. You must be Born-Again within the spirit portion of your being.*) Spiritual outcome (*i.e. Everlasting Life or Eternal Death*) is not based upon your personal *Niceness* . . . or . . . *“I’m a better*

person than the other guy” thinking. The entire program of Divine Redemption (*i.e. Rescue from ultimate Destruction*) is not about YOU personally.

There is nothing that YOU can personally do to earn your way into Heaven. An intelligent decision for surrender and Spiritual-*ReBirth* (*John 3:3; 5*) will assure YOU of the harmony and peace of Everlasting Heavenly inhabitation . . . Spiritual Indecision will result in an Eternity of wailing and gnashing of teeth.

Un-Alterable Spiritual Realities:

YOU are indeed a spirit being, that is personally, Spiritually-Dead, by inheritance (*Romans 5:12*). (*i.e. There is nothing that you can do about that.*)

YOU have an active Soul and live within a Physical Body that is doomed to die eventually (*Hebrews 9:27*).

YOU have been Divinely Designed to, and shall, exist for the unending

Everlasting that lies out ahead of us (*Psalms 49:5-11*).

YOU need to choose to believe *in* the Creator God, and not just the idea of “*I believe in God*” (*Hebrews 11:6*) . . . and decide to put your trust in what someone else did, whose name is Jesus of Nazareth, just for YOU . . . that YOU could not do for yourself (*John 3:16*).

Actively CHOOSE LIFE (*Deuteronomy 30:19*) . . . because if YOU do not . . . the consequence . . . by default . . . will be DEATH . . . ETERNAL,

EVERLASTING, DEATH . . . both spiritual and physical.

2) The second Spiritual-Reality-Truth that needs to be understood is that of CHOICE.

Free Volition . . . Free Will . . . or *Choice* . . . is the epicenter of created *Moral Life* within this Universal Expanse. (*If you have **no** operative Free Will . . . then there is **no** valid reason for any Moral Life creation to exist. If you have **no** Moral Life creation . . . then there is **no** valid reason for this Universal Expanse to exist.*)

The Personage of God operates just fine without needing to create anything . . . there is no determinable lack within His Being. And the concept that a Universal Expanse filled with inanimate rocks, space debris, and various planetary flora and fauna . . . and populated exclusively with non-moral, instinctive Animalistic creation is ludicrous at best.

So, the reality of a Loving Creator God bringing forth all that we are familiar with . . . not haphazardly or by chance, but meticulously, and with determined purpose . . . is quite sane and reasonable.

Any *Moral Life* Being, exercising a Free Will, is going to develop a particular, habitual lifestyle, or *Way*, in

which they function and exist. As the Master Creator, the Free Willed Personage of God, over the whole of existence, and even within the prior non-existence, has developed His own particular, habitual lifestyle, or *Way*, in which He functions and continues in His existence. From our perspective, it would prove to be a tried and tested position, and without any challenge . . . it always works correctly and is without error or flaw.

God's original decision to create another *Moral Life* entity, in addition to Himself, is determinably experimental to be sure. Even though the Omniscient Master Creator of all things possesses *Foreknowledge* (*Isaiah 46:10*) of future *Moral Life* failure of that experiment . . . when genuine Free Will is extended, there is always the distinct possibility of success.

So, without deviating from our present course of study . . . and preceding to go into the details of the first recorded *Moral Life* failures within both the Angelic and Other Creature Categories of *Moral Life* creation . . . suffice it to say, "If at first you don't succeed, Try, try, try, again."

God's evaluated decision, after the first two attempts, to create a third *Moral Life* entity, for the distinct purpose of Personal Family-Desire-Fulfillment, is unprecedented. For the members of the first two *Moral Life* Creation

Categories, God shared His *Way* of doing things and exhorted them unto compliance. Granted Free Will, and the introduction of the Law of Sin into the Universal Law books produced the chosen *Ways* that were developed by many members of *Moral Life* gifting, and which resulted in an abject failure and the consequence of heinous Death-Law fulfillment (*Matthew 25:41*). They did not want to do things God's *Way* and ultimately found out that doing things their own *Way* lead them down a pathway of Death.

However, *Time* has proven that the ultimate, declared, Divine Design revealed within the Immutable Counsel of the Word of God is—**“A Supreme Being With a Sinless Nature** (*John 1:4-5; II Corinthians 5:21; Hebrews 4:15; I Peter 2:21-22; I John 1:5; 3:5*) . . . **Has Chosen to Become An Express-Image, Human-Xerox, Carbon-Copy** (*Psalms 40:6-8; John 1:1-2; 14; Hebrews 2:17; 10:5*) . . . **Of His Two Divine Teammates** (*Genesis 1:26; I John 5:7*) . . . **In Order to Substantiate The Reality That Creating Sinless Children For The Production Of a Divine Family** (*Romans 6:2; 7; 14; 18; 22; 8:2; 16-17; 9:8; 26; Galatians 3:26; Ephesians 1:5; 5:1; 8; I Thessalonians 5:5; Hebrews 2:13-14; I Peter 1:14; I John 1:7; 3:9-10; 4:4*) . . . **Is a Distinct Possibility!”**

Free Will gifting, mating with Law of Sin intertwinings, will produce Death every time (*Romans 6:23*). It has become quite clear over the millennia past that there is a *Right Way* of thinking . . . and a *Wrong Way* of thinking.

There is a *Right Way* of talking . . . and a *Wrong Way* of talking. And there is a *Right Way* of doing things . . . and a *Wrong Way* of doing things. The *Right Ways* will lead to Life-Everlasting . . . and the *Wrong Ways* will lead to Eternal-Death (*Romans 2:7-9; 6:23*).

Life-Everlasting will ultimately include all nuances of pleasant living and interacting with other *Moral Life* beings, including access to the blessings and benefits of the entire created Universal Expanse.

Eternal-Death will only include the torment of unending wailing and gnashing of teeth within a seething caldron of unquenchable fire, all taking place within an inescapable incarceration facility, specially designed for the rebellious Angelic Devil and his Angelic followers (*Deuteronomy 32:22; Matthew 25:41*).

The gracious Master Creator has given unto the whole of Mankind, through the Covenantal Hebrew people, His Immutable Counsel . . . now presented within the King James Translation of the Scriptures, (*Protests to this particular statement, from proponents of other erroneous "Holy Writ" postulations, shall not even be entertained at this particular point in time*) and has exhorted compliance to that godly Counsel. What shall ultimately become manifest, for each and every member of Humanity is, will it be His *Way* . . . or My *Way*.

Sin is the determined issue of focus. Sin is the prevailing problem. Sin is the obvious manifested enemy. It

is declared that Sin **makes** a *Moral Life* Man think, or say, or do . . . what he himself insists that he does not want to think, or say, or do (*Romans 7:15-23*).

As Free Willed individuals, all Human Beings . . . Humanity . . . Mankind . . . YOU . . . will have to choose whether to think, and to talk, and to act *His Way* or *Your Way*.

“He made known his ways unto Moses, his acts unto the children of Israel.” (*Psalms 103:7*)

God will not impose Himself upon anyone . . . at any time . . . for any reason (*Romans 2:11*). That action would violate the very purpose of Free Will. The Scripture indicates that Moses was interested in the *Ways* of God, and the Children of Israel were not (*Psalms 103:7*).

Because Moses is the first Human author of the Divine Immutable Counsel that God has gifted unto men . . . it was what God inspired Moses to pen that He specifically taught . . . he who was interested . . . His *Way*. Are YOU interested, or not? Accurate Scriptural Truth is the shortest path to Spiritual-Reality.

3) The third Spiritual-Reality-Truth that needs to be understood is varied SPECIES and KINDS.

The Human Being is a unique *Species* of *Moral Life* creation. Prior *Species* of *Moral Life* creations before the Human Being *Species* was created, were the Holy Angelic *Species* of creation (*Psalms 33:6; 148:2; 6*) and the lower Other Creature *Species* of creation (*Romans 8:39*).

The Human Being is a far superior, much higher *Species* of *Moral Life* creation . . . in that he is the only *Species* of creation that was specifically, Divinely Designed as a Carbon-Copy of the Master Creator Himself (*Genesis 1:26*). Within the Human Being *Species* of *Moral Life* . . . there are three Scripturally declared *Kinds* of Human Beings:

1. Gentile-*Kind* of Human Being individuals . . . which are the oldest *Kind* of Human Beings Scripturally recorded . . . are the first that we will look at (*Genesis 10:5*). Whatever *Kind* of Human Being that the Man named Adam was before he rebelled and disobeyed God's instructions . . . (*And please note that he would have been the New Creation on the planet at that time*) . . . when that disobedience occurred . . . he became a Gentile-*Kind* of Human Being. There are no legal ties between the Gentile-*Kind* of Hu-

- man Being and the Existence Creator God.
2. Hebrew-*Kind* of Human Beings are the second group of individuals that we will observe (*Genesis 14:13; 15:18*). When a legal contract was established between God and a Gentile-*Kind* of Man named Abram . . . the second *Kind* of Human Being was established because of those binding legalities. His name was changed to Abraham, and he became the Founder and Patriarch of the entire Nation of Israel (*Genesis 17:5*). Because of His love for men, God promised to rescue the entire *Species* of *Moral Life* creation called the Human Being . . . that became damned because of Adam's actions (*Genesis 3:15*). Rescue is based upon legalities. Through the established Nation of Israel contractual legalities were established . . . hence, when the *Time* does come, He must use a Hebrew-*Kind* of Human Being to provide for that Rescuer or Messiah.
 3. New Creation-*Kind* of Human Beings are the third (*and final*) *Kind* of Human Beings that God has created (*II Corinthians 5:16-18; Galatians 6:15; Colossians 1:15; 18; Revelation 3:14*). When the Messianically qualified Hebrew-*Kind* of Human Being, named Jesus Christ of Nazareth, arrives on the scene, he is murdered by a concerted effort of both the

Gentile and Hebrew *Kinds* of Human Beings that hate him for no valid reason (*Psalms 18:17*). At the time that he is killed—prophetically—the Scripturally declared requirements of rescue are fulfilled, and a brand new, third *Kind* of Human Being, can be created (*II Corinthians 5:16; Galatians 6:15; Colossians 1:15; 18; Revelation 3:14*). God now provides rescue from damnation for any condemned Human Being . . . but that rescue is a rescue of *Choice*. Should we intelligently make that *Choice*, then our course is charted.

We are currently members of the Divinely Designed “League of the Immortals” (*II Timothy 1:10; Romans 2:7; I Corinthians 15:53,54; I Timothy 6:16*) . . . **travelling down individually chosen corridors of Conformation or Transformation** (*Romans 12:2; Ephesians 4:23; Colossians 3:10*) . . . **destined to reach genuine Lobbies of Soul Salvation** (*Philippians 2:12; Hebrews 10:38-39; James 1:19; I Peter 1:9; 22; 2:11; Ephesians 5:27; II Peter 3:14*) **or Lobbies of Lukewarm Carnality** (*Revelation 3:16; Romans 8:7; I Corinthians 3:3-4*) **prior to the actual rescue event that will occur,** (*Romans 5:9; Ephesians 5:6; I Corinthians 15:51-53; I Thessalonians 4:16-17; 5:9; Revelation 4:1*) **by the New Creation Jesus Christ of Nazareth** (*II Corinthians 5:16-18; Colossians 1:15; 18; Revelation 3:14*) **delivering sincere pilgrims from the Wrath of God that is to come** (*Romans 1:18; 2:5; Colossians 3:6; I Thessalonians 1:10; 5:9; [Book of Revelation]*).

4) The fourth Spiritual-Reality-Truth that needs to be considered is DESTINATION.

This magnificent Universal Expanse is singular. There are no “*other universes*” or “*multiple dimensions*” of existence. Sin-affecting dementia is what drafts such ludicrous, contradicting, delusions of fantasy.

Ordered design, by Divine Omnipotence, decrees the dictates of operations . . . not haphazard coincidences or random occurrences.

The Immutable Counsel of the Word of God reveals that only the *Moral Life Species* of the Human Being has been gifted with the privilege of handling the Immutable Counsel of the Word of God, because of interior **Image** and exterior **Likeness** of design (*Hebrews 6:17-18*). And the Word of God testifies of only TWO ultimate *Destinations* . . . the First and preferred *Destination* is HEAVEN . . . and the Second, and heinously tormenting *Destination*, is HELL.

Existence acknowledging, self-discovered physical Life . . . is not some kind of mind-numbed, lust-filled, fun and games party-time, whosoever has the most toys wins, experience. That is a fanciful delusion of the highest degree.

God's purpose for creating Human Beings (*Genesis 1:26*) . . . and then becoming a Human Being at the same time (*John 1:1-2; 14; Hebrews 2:17*) (*while remaining God*) . . . was to substantiate that a Divine Family, with Divine Children composing that Family . . . for the ultimate purpose of attending to the needed affairs of Administration, Governance, and Maintenance concerning this Universal Expanse, was what was decreed by the Divine Trio from Before the Beginning.

The reality of the actual planet called Heaven (*II Corinthians 12:2*) . . . located within a currently unknown quadrant of this Universal Expanse, and within a currently unknown galaxy and solar system within that quadrant, has been established as the present locale of Universal-Headquarter-Operations. That is where the Personage of God lives. That is where His Capital City of New Jerusalem exists (*Revelation 21:2*). That is where the promised mansions are. (*John 14:2*) That is where the true Temple of God, and the Angelic worship and deserved accolades of praise occur (*Isaiah 6:1-3*).

However, the legitimate concept of Heaven, as being the preferred *Destination* of those Human Beings who have been created by God on this planet called Earth . . . AND who have chosen to surrender to His Rescue Plan of Redemption through Christ Jesus our Lord . . . AND who have been transformed by the renewing of their mind unto Spiritual-Realities-Truths . . . AND who have passed

through that vaporous period of Probational *Time* . . . also includes access not only to that particular planet but to the entire Universal scope of created harmony and magnificence. They shall have the run of the entire playground of creation.

On the other hand, any Human Being who has been created by God on this planet called Earth . . . AND who has not chosen to surrender and submit themselves unto the Rescue Plan of Redemption through Christ Jesus of Nazareth . . . AND who remains steadfast in their various religious delusions, and resistance to the Truth . . . AND who passes through that vaporous period of Probational *Time* . . . shall find themselves standing before a Great White Throne and the Universal Judge of Truth (*Revelation 20:11-12*).

AND after the presentation of the overwhelming amount of evidence of personal rebellion and disobedience shall criminally be confined within the specifically prepared Eternal Housing Project for all malcontent spirits, AND shall ultimately suffer the unending, tormenting, non-quenching fire of stated consequence (*Matthew 25:41*). AND no attempts to try and justify any rebellious actions with a “*that’s not really fair*” perspective shall prevail! They freely *CHOSE* their *Destination*.

5) The fifth, and last Spiritual-Reality-Truth that needs to be understood, and that we shall observe within this little work, is REALITY vs. FANTASY.

Established *Reality* is founded upon created Universal law . . . and solidly based upon pure declared Truth. Pure Truth is what comes from the Living God of all creation, and is diametrically opposite to all falsehood. Every single needed insight, concerning the pure Truth of ***“life and godliness”*** (II Peter 1:3), in understanding *Reality* is found within the pages of the King James Translation of the Holy Scriptures. (*Again, protests to this statement, from proponents of other erroneous “Holy Writ” postulations, shall not even be entertained at this point in time.*)

Established *Reality* is the bottom line of how things really work. The Realm of Supposition is diametrically opposite to the Realm of Reality. Protests of: *“But . . . it’s not supposed to happen like that!”* or *“That’s not the way it’s supposed to work!”* are common statements that are heard from people who refuse to recognize or consider established *Reality*.

When the smoke clears concerning the aspects of our short physical Life here on this Earth (*as we know it*), established *Reality* shall be quietly standing before us with open arms to welcome us into the starkness of the pure Truth.

Genuine Christianity is a recognized and accepted *Lifestyle of Newness* that has literally settled into place over

the last 2,000 years of *Time*. The founder of Christianity is the once Hebrew-*Kind* of man named Jesus (*the*) Christ of Nazareth . . . who in fact, is one of the Members of the Divine Godhead . . . enclosed within a material-bodied *Earth-Suit*. He is truly the Personage of God . . . as well as being a member of the Human Being *Species* of creation called Man, at the same time . . . the prototype of a brand new, uniquely supreme, Human Being of incredible position and power, known Biblically as the *New Creation*.

Christianity is supposed to find its marching orders within the Immutable Counsel of the Word of God . . . the Bible. The adherents to Christianity are the singular group of people on this Earth, closer to recognizing and honoring the pure Truth than anybody else . . . but even within this constituency . . . blatant falsehood and lies run rampant. Here are a few points of interest concerning some religious “*sacred cows*” of non-Truth to ponder . . . that should make your blood boil if YOU consider yourself to be a 21st Century Christian. (*Which substantiates this author’s position of how resistant to established Reality and pure Truth that most people declaring to have knowledge of Christ are.*)

1ST REALITY

The King James Translation of the Scriptures is the most accurate set of words that we have been gifted to receive

by the God of Grace, who issued unto us clear instructions to live by.

Do you really think that there is no Holy Spirit guidance involved in God giving unto us instructions upon which our very Eternity depends?

Do you really think that the Holy Spirit of God has moved upon 10 different individuals or 10 different sets of people, to put forth 10 different “translations,” so that lazy Christians who refuse to study and rightly divide the Word of Truth (II Timothy 2:15) can pick and choose which “translation” is the easiest one for them to read, or the one which presents the most understandable spiritual concepts to them, or the one that eliminates those pesky thees and thous?

*The subtle attack from Hell against the Word of God began within the Garden of Eden, (Genesis 3:1) and has purposely continued even unto this day. Since the Word of God is truly the bottom line, where the spiritual buck stops, do you honestly think that Satan will simply stand back and not attempt to influence good intentioned, honest men, to **change** what God has said?*

Words are the precise tools that God Himself Universally uses, and has graciously gifted unto us to work with. (John 1:1-3) Words are the containers that hold and convey all thoughts. Thought-carrying words inherently have precise meanings. Change the thought-carrying words to a different set of words, and you will change the very thought that was being conveyed. And if assault against precise thought-conveyance is not genuinely recognized and considered, the changing of the words, with changed thought-conveyance, shall become prevalent in a lost and dying world and render the intended power of the recorded Word of God impotent.

Everlasting Life and Eternal Death is what is on the line . . . so concerning the severe seriousness of this seemingly unimportant, and extremely sensitive Christian issue . . . advisedly . . . we should not simply wait until the fancy Fantasy vehicle that we are traveling in hits the wall, and established Reality and the pure Truth of Immutable Counsel manifests before we begin to think soberly.

2ND REALITY

The widely promoted doctrine that the crucified Jesus of Nazareth, today within the 21st Century, is a resurrected “*Jewish Carpenter*” man . . . is erroneous.

Jesus Christ of Nazareth was a “Jewish Carpenter” man when he walked among men upon this Earth.

Jesus Christ of Nazareth was a “Jewish Carpenter” man when he was nailed to the cross of Calvary.

Jesus Christ of Nazareth was a “Jewish Carpenter” man when he hung for six hours upon that cross.

Jesus Christ of Nazareth was a “Jewish Carpenter” man when he ultimately, willingly, died upon that cross.

But . . . when Jesus Christ of Nazareth was raised up from the Spiritual and Physical Dead, by the Living God, he was no longer a “Jewish Carpenter” man . . . he was now a New Creation man (II Corinthians 5:16-18; Galatians 6:15; Colossians 1:15; 18; Revelation 3:14).

That is one of the designed purposes of the cross to begin with. The “old” wasn’t working . . . what was necessary was something “New.”

As a declared Christian, how many times do you hear the words “New Creation Man” mentioned within our modern-day sermons? Do YOU know that YOU are a New Creation Man . . . ? or do YOU think that YOU are just the same old person that you’ve always been? Do YOU know what being a New Creation Man is all about? Do YOU hear that valid doctrine of Reality-Truth being preached? Why not?
