“THE WORLD THAT THEN WAS . . .”

(II Peter 3:6)

INTRODUCTION

This planet that we live on, called the planet Earth, has been around for much longer than the six-thousand-year-*time* span that 21st Century Christian Creationists often put forth.

This world has a colorful history, that is Biblically sound, and yet is widely unknown by the majority of the Christian constituency. “The World That Then Was” (II Peter 3:6) is a Biblical account of the First Social Order of intelligent beings that originally inhabited this planet.

Time-wise, we do not have a Scriptural indication of just how long ago this Social Order was in operation here. But what we do have, is evidence in the form of fossil records, mostly of the Animal Compliment; and the anomalies that men of today cannot explain in any reasonably intelligent, rational manner within the six-thousand-year proposition that is put forth. Postulations are put forth based upon unsubstantiated *scientific* evidence, that men are willing to invest faith in so that they might promote their various agendas.

This First Social Order was not appreciably that different from what we are familiar with in our own current Society of today. Biblically speaking, cities are spoken of (*Jeremiah 4:26*) and groups of individuals who were formulated into nations (*Isaiah 14:12*), just to cite two references.

So, with all the natural and Biblical resource evidence that is available, shall we go back in *time* and give some thought as to what “The World That Then Was” might have been like?

CHAPTER 1

Original Creation

“The Lord possessed me in the beginning of his way, before his works of old.

I was set up from everlasting, from the beginning, or ever the earth was.

When there were no depths, I was brought forth; when there were no foundations abounding with water.

Before the mountains were settled, before the hills was I brought forth:

While as yet he had not made the earth, nor the fields, nor the highest part of the dust of the world.

When he prepared the heavens, I was there: when he set a compass upon the face of the depth.

When he established the clouds above: when he strengthened the fountains of the deep:

When he gave to the sea his decree, that the waters should not pass his commandment: when he appointed the foundations of the earth:

Then I was by him, as one brought up with him: and I was daily his delight, rejoicing always before him;

Rejoicing in the habitable part of his earth; and my delights were with the sons of men.” (Proverbs 8:22-31)

Should there be a single verse or a segment of Scripture verses that may be pointed to, as extending as far back into the lesser volume of Everlasting past as possible, then this portion of Scripture from the Book of Proverbs would probably be the one.

It would seem that within this Scriptural excerpt, wisdom itself, almost as an independent autonomous entity, is being given an opportunity to reminisce about the earliest moments of material existence. And to reflect upon the abundant joy that emanated forth, as the three Persons of the Godhead (*Acts 17:29; I John 5:7*) acted in complete and amicable harmony upon the decisions that they had made and mutually agreed upon before *time* began (*Romans 1:20; Ephesians 1:11*).

The Third Person of the Godhead, the Holy Spirit of Truth, is speaking through the writer of the proverb concerning a *time* from **“everlasting”** past, even **“from the beginning,”** before **“he prepared the heavens.”**

∞ ∞ ∞

“In the beginning was the Word, and the Word was with God, and the Word was God.

The same was in the beginning with God.

All things were made by him; and without him was not any thing made that was made.” (*John 1:1-3*)

The revelation insight that was given unto the Apostle John would be the very next Scriptural notation text

that we would find on the *time*-line that we are traveling upon.

John pronounces the oldest ascribed title that is carried by the Second Person of the Godhead and reveals that He is the One who is the utterance source of all things. *Things* are brought forth from words. *Words* are the product of collective thought, and the Personage of God whom, during the process of *time*, we will come to know of as Jesus Christ of Nazareth, is indeed the definitive Word. All of creation flows into existence, through the thought-utterance that He decrees.

∞ ∞ ∞

“In the beginning God created the heaven and the earth.” (*Genesis 1:1*)

And finally, we have the first recorded verse in the Scriptural account—which most people have become familiar with.

It is this declaration, which is usually attributed by the majority of people, as the verse going back the furthest within the created element of *time*, even though it is not.

This author knows of no Scriptural record that is given by God as to the precise designated order, concerning the myriads of various products of Creation, contained within the created Expanse of Space, known of as the Universe. Nor does he know the accurate length of *time* it ultimately took God to originally accomplish the tasks.

Nor do we have any Scriptural notations concerning at what point along the *time*-line that the planet Earth itself was brought into the picture.

What we do have revealed unto us is the supernatural insight into who the Author of Existence actually is and a glimpse into the details of the Divine-Plan that has been conceived for the Creation of all things.

At this juncture, so that there shall be clarity as we proceed through our studies, we should understand that there is a Scriptural *formula* by which actual Creation takes place. To showcase the Divine Trinity, a purposed reflection is often seen within the Creation, in the form of an ordained **Foundational-Triune-Creational Format**. Which means that within a number of created *things*, or issues, or substances, or constructs, or realities, there is a combination of 3 to make 1 foundation. With that in mind, note that:

“Scriptural Thought-Utterance is released with the divine creative anointing, and the capability of substance-faith, for the Holy Spirit of God to form and bring forth whatsoever is accurately, and verbally, described, into manifestation.” (RD)

In simplicity, and with determined certainty, *anointed words* combined with *faith*, will produce *things*.

Before the divine, triune, Universal, Measurement Gauge of Everlasting *time*-piece is to be set into motion, a primary task that the Three Persons of the Godhead must need to perform is to:

“Ordain and establish all of the laws, both Spiritual and Natural, (and within the Natural, Quantum, and Newtonian), by which all things created will be brought into existence, and then be maintained and continue to operate by, on a day to day basis.” *(RD)*

When these innumerable law-sets and the details which need to be completed in connection with them are finalized, established, and are locked into place, God will then be able to set His Universal *Atomic Clock* into motion, and:

When the “*Beginning*” began, *Time* started.

Also, we need to further understand, that in addition to the *invisible*, and yet genuine, laws that are regulating time, space, distance, gravity, motion, color, and various other laws, or by-products of these laws which are being decreed; that God additionally establishes the uniqueness of the first natural, physical, **Basic Creation Elements** of **Air, Water, and Soil.**

Within the supernatural, and today invisible (*1 Corinthians 13:12*), Spiritual Realm, all three Persons of the One God Godhead, purpose and agree to speak, impart, and infuse the invisible, spiritual, supernatural creative ability into the visible, physical, natural elements of the **Air**, the **Water**, and the **Soil**.

When the time comes, and this planet is finally on the forefront of focus, we can see clearly these physical **Basic Creation Elements**, being utilized to produce the result of what love, and wisdom, and foreknowledge had originally invested from Before the Beginning, to be uniquely contained within the **Air**, the **Water**, and the **Soil**.

“For thus saith the Lord that created the heavens; God himself that formed the earth and made it; he hath established it, he created it not in vain, he formed it to be inhabited: I am the Lord; and there is none else.” (*Isaiah 45:18*)

∞ ∞ ∞

“Then said the Lord unto me, Thou hast well seen: for I will hasten my word to perform it.” (*Jeremiah 1:12*)

In addition to the instrumental use of the three basic natural, physical, elements in originally creating all things within this entire Universe, the God of all creation also,

and appropriately, accelerated the ability of what His creative words would accomplish. He imparted animated *Life* where it would be appropriate, and formed and fashioned all things created.

This world would be no different; saving for the fact that God has a specific targeted work that He will choose to accomplish within the entire corridor of *time*, utilizing this Privileged Planet. So, after the globe is established, decorated, and opulently furnished with flora and fauna, planned Free Will, ***Moral Life*** will be the next order of business.

CHAPTER 2

Thrones and Dominions

“For I am persuaded, that neither death, nor life, nor angels, nor principalities, nor powers, nor things present, nor things to come,

Nor height, nor depth, nor any “other creature”, shall be able to separate us from the love of God, which is in Christ Jesus our Lord.” *(Romans 8:38-39; Enhanced)*

This is a well-known set of verses within Christianity. The Apostle Paul is revealing that nothing can come between God and the ones whom He loves . . . when they are *in Christ*.

However, this is also the first mention of the word *principalities* within the whole of the New Testament account. There are seven more Scripture verses within three different epistles, which speak of the same created governmental positions (*Ephesians 1:21; 3:10; 6:12; Colossians 1:16; 2:10; 2:15; Titus 3:1*). The reference within the epistle written unto Titus is the only one of these excerpts that seem to refer to this governmental position as belonging to Human persons that live upon this planet.

It would additionally seem that various referenced *principalities, powers, thrones, and dominions* are referring to something or someone, not Human, and not currently

residing upon planet Earth, but that are quite tangible and are very real entities. And only the reference in the Book of Ephesians chapter six would be dealing with *Evil Principalities*, which would be directly referring to creatures of the Angelic Hosts category, and specifically those who have fallen from grace.

The Webster's Dictionary gives unto us, as the primary definition of the word **principality**, the notation of "*the state, office, or authority of a prince.*"

The Apostle Paul is not specifically addressing any particular spiritual being, but he is knowledgeably making a notation of their existence by the very Spirit of Truth. It is highly probable that these *principalities* being referred to may indeed be faithful, holy, *Moral-Life* creatures, of the Angelic Host category, which continue to obey the Creator God within their existence operations.

As Christians, what we may want to consider for just a moment is, does the potential of intelligent life exist in various other locales with the whole of this Universe? George Lucas thinks that it does. Steven Spielberg thinks that it does. Carl Sagan thinks that it does. And the Creator God Himself knows that it does.

And the Word of God declares that there are designated positions of governmental authority known of as *principalities*. Even further, that there are *thrones* (*Daniel 7:9; Colossians 1:16*) that have been established somewhere. Creatures installed into governmental positions, which has

given them *dominion* (*Ephesians 1:21*) in certain locales. Additionally, there are even other designations of *power* (*Ephesians 1:21; 3:10; Colossians 1:16; 2:10; 2:15; I Peter 3:22*) and *might* (*Ephesians 1:21*).

∞ ∞ ∞

“Which he wrought in Christ, when he raised him from the dead, and set him at his own right hand in the heavenly places,

Far above all principality, and power, and might, and dominion, and every name that is named, not only in this world, but also in that which is to come.” (*Ephesians 1:20-21*)

The author of this verse is again the Apostle Paul. He is revealing the New Creation Reality that Christ Jesus, as well as all other *Born-Again* individuals who are *in Christ*, are seated as high as it is possible for any Man to be seated within this Universe.

And, of course, all intelligent, *Moral-Life* beings, fallen from grace, that hold these same positions, and carry these designated titles, are authoritatively far, far below Christ Jesus the Man, and his accomplishments.

However, the statement that Paul makes concerning ***“the world to come”*** is what should catch our attention.

This current **Probationary Period for Mankind** is coming to an end before too much longer. And when it does we will be moving into the ever-expanding *time* volume

of the Everlasting future. Promises and blessings that the Creator God has made, and reserved for those who love Him, shall be meted out as unnoticed seconds, minutes, hours, days, weeks, months, years, decades, centuries, and millennia clock by.

However, rebellious, *Moral-Life*, spirit beings, that have willingly, disobeyed God's directives, and fallen from extended grace, will not have a part to play in **“the world to come.”** These disobedient *Moral-Life* creatures are destined to all be confined, as every *outlaw* should be, within the locale of torment that is located below the surface crust of this planet Earth, and which was originally **“prepared for the devil and his angels”** (*Isaiah 66:24; Matthew 25:41*).

Jesus' position at the Right Hand of the Father in Heaven exceeds all other *posts* of authority within this Universe (*Ephesians 1:20*). All ***New Creation Body-of-Christ*** subjects having received the Creator God's redemptive provision, also shall exceed other *posts* of authority that seem to exist in various locales.

However . . . how often do we even hear about these issues? Where might we find any instruction concerning them? Sometimes, it would seem that Christianity does not even know about them, even though they are supposed to be the stewards of the insightful Word of God during this Probationary *time*.

Even within our own private reading and meditation time, what course of study-action do we take when these

principalities, powers, thrones, and dominions present themselves in bold print right before our very eyes?

And we are not dealing with *aliens* here either. The close encounter that each one of us needs to have is with the Spirit of Truth and the Word of God. May the wisdom of the Omnipotent Creator of all things, which even dwells right within us as we speak (*1 Corinthians 1:30*), be ever sought after as we do.

∞ ∞ ∞

“To the intent that now unto the principalities and powers in heavenly places might be known, by the church, the manifold wisdom of God.” (*Ephesians 3:10*)

This is a powerful statement that might give unto us some insight into the validity of these titled beings, relating to the declared wisdom of God.

The Human Race is a unique *species* of created being. Man is the pinnacle of God’s creative endeavors. His intent has always been that Man should hold the key position of superior authority and should co-administrate all affairs concerning the works of His hands (*Hebrews 2:8*).

It is possible that active *principalities* and *powers*, which have been established in various locales within this Universe, have wondered about the wisdom of what God was doing when Sin was allowed to once again enter this world and get a choke-hold on Mankind (*Romans 5:12*).

However, over the course of *time* as the general **Plan of Redemption** was unfolding, and particularly when the New Creation Resurrection Reality burst forth . . . it all began to become clear. Mankind fell below the Angels (*Romans 6:16*) and become subservient to the Law of Sin because a Man obeyed instructions from the Fallen Devil-Angel (*through a complicit serpent*), rather than the instruction that he had received from the Creator God. In the process of *time*, Christ Jesus, who knew no Sin, was made to be Sin for Mankind (*II Corinthians 5:21*). Jesus of Nazareth personally tasted of Spiritual Death for all men (*Hebrews 2:9*). And his resurrection exonerates all men who will accept it, from the guilt that comes with the Law of Sin.

Men and women laying hold of God's bondage-to-Sin breaking provision, reveal the hidden wisdom of how God dealt with the severest disruption to Universal harmony that could have ever occurred.

“For by him were all things created, that are in heaven, and that are in earth, visible and invisible, whether they be thrones, or dominions, or principalities, or powers: all things were created by him, and for him:” (*Colossians 1:16*)

The Second Person of the Godhead is the **“him”** that is being referred to at the beginning of this verse.

The Word of God is the One who made all things (*John 1:3*), including intelligent, free will, *Moral-Life* creatures that are today potentially in governmental positions of *thrones*, or *dominions*, or *principalities*, or *powers*.

There is nothing contained within this single verse or the verse that is before it, or the verse that is after this one, to indicate that these references are concerning *Evil* entities with fallen natures.

Rather, we are given an opportunity to see an expanded picture of what really exists beyond the restriction of our own four walls, if we will only take the *time* to look. There really is *life out there*. That Life-filled habitation consists of other intelligent creatures that the Creator God has brought forth within this Universe of His and for His intended pleasure.

And all of that habitation is ultimately going to be operating under the leadership of the Lord Jesus, and all of the ***New Creation Body-of-Christ*** individuals, who are his Human brothers and sisters. The household residents of the Holy City of God, the New Jerusalem, will be the corporate administrators for all of the maintenance and governance issues throughout the whole of God's creation . . . forever.

∞ ∞ ∞

“Put them in mind to be subject to principalities and powers, to obey magistrates, to be ready to every good work.” (Titus 3:1)

Titus’ exhortation is to ministers of the Word of God primarily, conveying the necessity to obey the lawful authorities functioning on this Earth. There does not seem to be even a hint that an Angelic or *Other* created creature would be involved.

∞ ∞ ∞

“For we wrestle not against flesh and blood, but against principalities, against powers, against the rulers of the darkness of this world, against spiritual wickedness in high places.” (Ephesians 6:12)

Here then is the verse, that is the most well-known verse in the New Testament, touching upon the spiritual warfare that exists within the World of Christianity.

The Apostle Paul is schooling the believers at the city of Ephesus concerning the invisible realm opposition that the Children of God are in conflict with. Forces that are not seen. Forces that are not friendly. Forces that cannot ever be killed, only handled.

Like a military ranking system, unseen forces seemingly also are aligned in an ascending and descending order. Lucifer was thinking that he wanted to be like the

Most High God. Lucifer was thinking that he wanted to make the decisions and call all of the shots (*Isaiah 14:13-14*). Today, within his own little-wicked kingdom of darkness, he gets the opportunity to do just that.

There is no Scripturally supported evidence that any originally free willed Angelic, or *Other* creature of planet Earth individual, is being allowed to exercise their own free will today, within the kingdom of darkness. All bondservants of Sin, and future citizens of the incarceration facility of Hell must do what they are told to do when they are told to do it, and how they are told to accomplish it (*Romans 7:15-23; 6:16*). The author of the Law of Sin himself is a servant to that very Law, and solely the only one who is still able to choose to stand before the Most High Lord God Almighty, to accuse the brethren of the Lord Jesus Christ, but that is all (*Revelation 12:10*). But the day is coming soon, that he will be cast out of Heaven, and will no longer be able to do even that (*Revelation 12:9*).

The Creator God, of course, is the One who has originally given a free will to the expanse of His *Moral-Life* creations. And we have a record that some of these free-willed creations have chosen to rebel against God and disobey His directives. Upon their refusal to accept a way of reconciliation, and an opportunity to turn around and change their minds, the **Angelic Probationary Period** ended, and they became locked into their free will bad decisions for an Everlasting *time* period.

Today Lucifer, now known of as Satan, because of a name change to reflect his defiled nature, does indeed get to sit in the headship position of his own kingdom. He is the recognized **“prince of the power of the air”** (*Ephesians 2:2*). The active Law of Sin is what ultimately drives Satan, as to what direction his kingdom will take, because he himself is a slave to that Law of Sin, and those that are subservient to him are compelled to follow his orders without argument or hesitation (*Romans 6:16*).

He will issue directives to subordinates, who will issue directives to subordinates, who will issue directives to subordinates, right on down to the demonic level. And demons carry the rank of *privates* within the kingdom of darkness. They are on the lowest rung of the spiritual ladder. At one time they exercised a free will, and now they are slaves to Sin. They still possess professed intelligence; however, that intelligence has been extensively corroded, defiled, and seriously diminished because of the workings of the Law of Sin. They are two-dimensional within their thinking, and they concentrate on influencing Human men and women to operate in a two-dimensional manner as well, in how they choose to think.

“And having spoiled principalities and powers, he made a show of them openly, triumphing over them in it.” (*Colossians 2:15*)

What a tremendously exciting and victorious verse this is. When the very last second of an allocated 71 hour, and 59 minutes, and 59th second of *time* volume had expired for the crucified Jesus of Nazareth, concerning the prophesied ***“three days and three nights in the heart of the earth”*** (*Matthew 12:40; John 2:19*), a spiritual detonation, eclipsing the explosion of a super-nova star, occurred within the center of the Nether World.

A Spiritually-Dead, natural, Jewish, Jesus Christ of Nazareth was infused with creative anointing, by the Life-giving Holy Spirit of God, and raised up from the Spiritual and Physical Dead.

He exploded into the new prototype creation of an unprecedented *New Species* of Human Being, which had never existed before his resurrection. A ***New Creature*** (*II Corinthians 5:16-18*), far surpassing the original Express Image design, whose name was Adam . . . that is what the ***New*** resurrected Jesus of Nazareth accurately is (*Genesis 1:26; Hebrews 1:3*).

At that very creative moment, the entire constituency of the Abode of the Damned was blown backward to the ground . . . Satan included. From that explosive micro-second onward, no agent of the kingdom of darkness, on

or under the Earth, could touch **New Creation** Jesus in any way, shape, or form (*Colossians 2:15*).

Complete triumph over the Law of Sin, its' power, and all who are in servitude to Sin, had, at last, become a viable Spiritual Reality. And every single member of the rebellious hordes of darkness knows of the strength of the Law of Sin and Satan's absolute, utter defeat, and **New Creation** Jesus' victory.

All that now remains, until the **Probationary Period of Mankind** reaches its' conclusion (*Romans 9:28*), is for every **New Creation in Christ**, on an individual level, to thoroughly learn who they now are *in Christ* and walk out their victory within their remaining allocated days upon this Earth.

The **Body-of-Christ** entity, which is composed of literally hundreds of thousands of individuals, is a specifically unique, multi-member singularity. Each *individual cell member* shall ultimately be **“conformed to the image of his Son, that he might be the firstborn among many brethren”** (*Romans 8:29*) and all members will conclusively think, and talk, and act just like Jesus of Nazareth himself . . . the Head of the Body.

Presently, there is in active operation entirely too much of *us* or *me* within each single person who is *in Christ*, and not enough transformation into the “Mystical Body” of Christ Jesus (*Romans 12:2*). Focused effort needs be exercised to **“lay aside every weight, and the sin**

which doth so easily beset us” and “cleanse ourselves from all filthiness of the flesh and spirit, perfecting holiness in the fear of God” and “put off concerning the former conversation the old man, which is corrupt according to the deceitful lusts;” and “put on the new man, which after God is created in righteousness and true holiness” (Hebrews 12:1; II Corinthians 7:1; Ephesians 4:22; 24).

It seems clear, from the observation of 21st Century Christianity that this may not occur before the return of the Lord Jesus for his church. So, whether it manifests while we are yet on this Earth, or it becomes fully completed within the citadels of Heaven, we will ultimately, truly become just like Jesus.
