| Introduction

The hour is late. The time is short. And, the return of the Lord Jesus Christ of Nazareth is imminent.

Although most people within this world, and even a large percentage of professed Christianity, are living in denial, and are busy polishing their 21st Century *fantasy* vehicle of life's everyday endeavors, the Truth of the Word of God still stands steadfast and sure . . . and is head and shoulders above any of the other proclaimed religious *spiritual documents* that the world may present or accept.

Within this short work, another opportunity will yet be taken to catalog Spiritual Truths and Resurrection Realities, for those few individuals in these modern times who *get it*. Take the brief trip with us, won't you?

We shall be touching upon the Adventures of the Spirit of Man . . . the Clarity of the Will of God . . . the seemingly confusing issues of established Biblical Law . . . and finally an in-depth posing of the legitimate question . . . Why all the Warnings?

And, don't take this author's word for it . . . go to the Scripture references and see for yourself. Indulge and enjoy, and share it with your friends if you feel that there is any value to it.

THE ADVENTURES OF THE SPIRIT OF MAN

The Original Human Spirit

Analogy, The First Seed Produces the First Vine

“God is a Spirit: and they that worship him must worship him in spirit and in truth.” (John 4:24)

The original spirit of Man is a carbon copy of the Unequaled, Magnificent, Almighty, Creator of all things . . . who is indeed a Spirit Being Himself.

The Creator of all things is not a *Living Soul* (Genesis 2:7b) . . . or simply a functioning *Celestial, Terrestrial, or Spiritual Body* (1 Corinthians 15:40; 44) . . . but rather is a Living Spirit Being (John 4:24).

Jewish Jesus of Nazareth, who is the perfect Human Being, spoke these words of truth to a Samaritan woman, as she was drawing water from a well at the noonday hour (John 4:24).

In this present day, within this present time, most spirit beings are invisible. Truly they are real entities, but they live within a Spirit Realm that has been closed off to our five physical senses because of the Law of Sin and its effects (1 Corinthians 13:12).

When Jewish Jesus expounded upon this truth to the Samaritan woman, the Jewish men who were in Covenant with the One True God had been worshipping and honoring Him for centuries; however, for the most part, it was through the rote routine of rituals and

ceremonies. The Lord God Himself originally gave those very ceremonies of worship unto the men . . . however, that type of worship was not what He truly desired.

Even unto this day, there continues to be a want, in fulfilling this Scripture verse. Rituals and ceremonies are still employed, and exercised . . . but true sincerity and genuinity are many times lacking.

A Genuine Divine Challenge

How Do You Design a Completely Free Will
Creature That Is God-Like . . .?

And Then Inspire That Creature to Choose
to Be Like God?

“And God said, Let us make Man in our image, after our likeness:” (Genesis 1:26a)

God originally chose to create Man **“in”** His own image (Genesis 1:26). Man is actually a *“mini-me”* of the Magnificent Master Creator. A spirit being, which is patterned after the Spirit Personage of the Ultimate Supreme Being. Not implicitly intelligent . . . nor equitably moral . . . nor frivolously gifted with free volition, but a true spirit being reflecting the embodiment of the Almighty

God. An “*express image of his person*” (*Hebrews 1:3*). A being that would ultimately provide the Blessed Creator with a Family of actual sons and daughters . . . living spirit beings, having supportive souls, dwelling within tabernacles of Terrestrial physical bodies.

“And the Lord God formed Man of the dust of the ground, and breathed into his nostrils the breath of life;” (*Genesis 2:7a*)

God initially uses the *Basic Creation Element* of Soil to construct the Terrestrial, physical *body portion* of the HUMAN Being, that would be used to house the *spirit portion* and the *soul portion* of the *new* Manifested-Animated-Neophyte. That *New Creation* would make up the HUMAN component of the HuMANity constituency known today as MANKind.

God personally transfers . . . by *Breath-Impartation* . . . the *soul portion* qualities into that Terrestrial, physical *body portion* . . . while He breathes the *spirit portion*, *God-Life* into the dust-formed, shell housing of the MAN. (*Genesis 2:7a*)

In actuality, there were two elements of spirit *God-Life* which were imparted into Adam when God breathed into him . . . the first is the individual *Eternal-Life* (*which is having a capacity for Adam to live forever if obedience is maintained*) for the *spirit portion* of Adam

himself . . . and the second was the distinct ability for Adam to pro-create himself, through designed, granted, Human reproduction . . . and bring forth an autonomous second, third, and fourth *Eternal-Life* spirit individual at his chosen discretion. *Note** When this HUMAN reproduction occurs, God need not be present.

The *spirit portion* of a Man is the real nucleus of the individual person. The *spirit portion* of the Man does not have independent Emotions . . . otherwise, why would he need a soul? The *spirit portion* of the Man does not have an independent Free Will, otherwise, why would he need a soul? The *spirit portion* of the Man does not have granted independent Intelligence, otherwise, why would he need a soul?

The *spirit portion* of the Man does indeed have a sense of sight . . . but it is a spiritual sense of sight. The *spirit portion* of the Man does have a sense of sound . . . but it is a spiritual sense of sound. The *spirit portion* of the Man does have a sense of taste, and of touch, and of smell . . . but these gifted senses are all spiritual senses (*Hebrews 5:14*). They are the designed facilitators of *Life*, of which the Terrestrial, physical body senses are a compliment.

By God's own original design, the *spirit portion* of the Man is the *invisible force* . . . created to specifically shoulder responsibility, make decisions, and clearly hear the instructions that God would issue . . . which would lead the individual down the pathway of obedience.

By God's own original design, the *soul portion* of the Man is the *invisible force* . . . created to willingly assist, and augment, the *spirit portion Leader* with intelligence and a moral compass, concerning the affairs of this *Life* that shall be worked out through the Terrestrial, physical, *body portion* of the Man within the Natural Realm.

By God's own original design, the Terrestrial, physical, *body portion* of the Man is purposed to house, both the *invisible force, spirit portion* of the Man, and the *invisible force, soul portion* of the Man, within a singular container. Additionally, the *spirit portion* and the *soul portion*, working together in harmony, will hear instructions from God concerning Universal Administration, and Governance, and Maintenance issues . . . and execute them precisely . . . utilizing the physical *body portion* in whatever capacity is needed.

*Within an analogous manner . . . God is a Husbandman . . .
and Adam is a Creative Seed.*

*In the original creation of Man, God has planted a seed in
great expectation . . . a Good Seed.*

*The Man is being set forth as a seed for the express purpose
of becoming a Good Vine, and producing
a bountiful crop of good male and female branches.*

*As that occurs, these good branches will find their source
and their strength emanating forth from a Good Vine.*

And as they grow, the female branches in time will sprout growth pods, that can produce other branches . . . and additionally, each branch will bud forth and personally develop delicious, succulent, good fruit. And ultimately all of these branches will develop into a cadre of priceless governors and administrators over the entire vineyard.

“and let them have dominion over the fish of the sea, and over the fowl of the air, and over the cattle, and over all the earth, and over every creeping thing that creepeth upon the earth.” (Genesis 1:26)

Dominion and authority shall be needed to administer everything within this Universe, starting with the Garden of Eden.

The *spirit portion* of the Man is the **Primary**, interior, *invisible force* of his person.

The *spirit portion* of the Man is to be alive and sensitive to the leading of the Lord God Almighty. And it must be swift to hear and respond to God’s directives (James 1:19).

The *soul portion* of the Man is the **Secondary**, interior, *invisible force* of his person.

The *soul portion* of the Man is designed to assist the *spirit portion* in its operation, and augment and facilitate actions between the *spirit portion* and the physical *body portion* of his being. The *soul portion* of the Man shall be in subjection to the *spirit portion* always.

The *spirit portion* was to hold the ascendancy, and oversee the Man . . . the *soul portion* was to process the directives that the *spirit portion* would give . . . and the physical *body portion* was to carry out the instructions which came from the *spirit portion* . . . through the *soul portion* . . . and then do only what it was told to do.

Three portions of the Man within the one being . . . operating in a complete harmony . . . just like the Three persons within the One God Godhead. A perfect Divine Doppelgänger Design.

The Sin-Stained Human Spirit

***“And the Lord God commanded the Man, saying,
Of every tree of the garden thou mayest freely eat:
But of the Tree of the Knowledge of Good and
Evil, thou shalt not eat of it: for in the day that thou
eatest thereof thou shalt surely die.”*** (Genesis 2:16-17)

Man is a product of *Foreknowledge*, at least in part (Isaiab 46:10). A disobedient Angel did not surprise the Lord when Lucifer rebelled against God and defected from His service (Isaiab 14:12-14; Ezekiel 28:11-19).

Nor will God be surprised by Adam’s rebellion and abdication from Holy rulership.

The purposely planted Garden of Eden was a pristine Probationary habitat, designed, created, and utilized by God for testing purposes (Genesis 2:8). For the Almighty God to create a God-like creature and then put that creature in a position of superior authority and power, without making sure that he will remain loyal and live up to all of the expectations that God has for him, would be at the very least, unwise.

When Adam disobeyed, God had told him that he would die. So allow us to work backward:

Did Adam's Terrestrial, physical *body portion* of his being die when he willfully disobeyed? . . . No.

Did Adam's **Secondary**, *invisible force, soul portion* of his being die when he willfully disobeyed? A Dead Intellect—with a Dead Moral Compass—and a Dead Free Will? . . . obviously, No.

Did Adam's **Primary**, *invisible force, spirit portion* of his being die when he willfully disobeyed? . . . His spiritual sense unable to hear the Lord . . . and his spiritual sense unable to see the Lord . . . and his spiritual sense unable to taste, and touch, and smell things of the Spirit Realm? Most definitely, Yes.

With his spiritual death, Adam's *communication-umbilical* was severed, and Man became deaf to the counsel and leading of the Holy Spirit of the Lord. The resulting reality was:

“And Man became a living soul.” (Genesis 2:7b)

In Man's original design, the *spirit portion* of his being was the **Primary**, driving, interior, *invisible force*. The *soul portion* of his being was the **Secondary**, assisting, interior, *invisible force*. The **Primary**, driving, interior, *invisible force* was alive and was able to hear from God, and lead the individual in line with Divine purpose and direction.

Now, starting with Adam, the **Primary**, driving, interior, *invisible force* has lost its *God-Life*, and finds itself

a captive within the condition of *Spiritual Death* (*Genesis 2:17; Romans 6:23*) . . . and there is nothing that the Man can do about it. The condition of *Spiritual Death* shall now be passed on to every HuMan Being coming into Existence through the process of HuMan reproduction (*Romans 5:12*).

The *soul portion* of Man's being, which is the **Secondary**, assisting, interior, *invisible force* is now thrust into a leadership position of responsibility, that it was never designed for (*Genesis 2:7b*). And the physical *body portion* of Man's being, which continually desires gratification and satisfaction, commences to exert demands and pressures upon the *soul portion*, without any overriding *spirit portion* power to intervene.

Instructions originating from the creative Spirit of God, and passing through the *communication-umbilical* unto the *spirit portion* of the Man . . . which were then to be facilitated by the *soul portion* of the Man, and relayed unto the physical *body portion* of the Man, are currently suspended. With the reality of spiritual deadness . . . the *body portion* is going to demand what it wants and is going to continually pressure the *soul portion* of the Man to serve it without any thought of the consequence.

From infancy, the soul goes to school at the *University of the Body*, and at about two years of age, the soul will begin to emerge and negotiate to move into the partner/leadership position.

Today, the original Divine process has now been reversed by the adverse effect of Sin, and things will now work from the outside progressing inward . . . instead of from the inside progressing outward (*Genesis 5:3*).

Within an analogous manner . . .

Before any appreciable vine growth can take place, or any good branch pod can erupt and spring forth, the seed named Adam is affected by a heinous spiritual blight and turns bad.

It would seem that the end result of this first planting is going to manifest itself to be a moral crop failure.

The bad seed, however, does indeed take root and a slow growth process does begin to occur.

The branches are truly sprouting forth from their pod buds, but both the blossoms and the subsequent fruit that the branches produce, even as they are maturing, are foul and sour.

*Blooms of hatred, envy, selfishness, pride, anger, deception, and so much more begin to bud forth and manifest because of the corrosive spore of Sin, and all that seems to develop from these flowers is withered fruit on every branch (*Genesis 6:5*).*

Looking back upon the first four thousand years of crop development, a grim epitaph will become etched into the bark of the trunk of the vine:

***The “Family Tree” of Hu-Man-ity is
demonstrated to be
the finished product of a seed gone bad.***

It does seem that the Husbandman has Himself a situation.

The MAN ingredient that was originally deposited within the Basic Creation Element of the Soil has been all used up. The Husbandman cannot return to the Soil in order to get more creative material and start all over again.

He must somehow work with what He has left . . . and find another way to be able to produce another seed, with the expectation of growing it up into an originally designed Good Vine.

Within the process of "time," while all of the designated, seasonal, continuing branch-production-events are unfolding upon the Earth, a gentle, sweet, melody of predestination can be heard in the background softly singing a hymn of praise. And the lyrics declare that the treasured experiment is not a total washout.

Within the midst of all of the bad blossoms that continue to bud forth, and in spite of all of the bad fruit that continues to mature from those blossoms, attention is being drawn to the reality of the pod's producing abilities.

Even though the creative MAN ingredient within the Soil has been all used up, so that it becomes impossible to return to the dust of the ground and start again, if we can somehow get a hold of one of the branch pods, we might be able to secure an opportunity to start fresh.

It certainly is worth a try.

 God Initiates
The Repair Process

“Now the Lord had said unto Abram, Get thee out of thy country, and from thy kindred, and from thy father’s house, unto a land that I will show thee:

And I will make of thee a great nation, and I will bless thee, and make thy name great; and thou shalt be a blessing.

And I will bless them that bless thee, and curse him that curseth thee: and in thee shall all families of the earth be blessed.” (Genesis 12:1-3)

When Adam transgressed and disobeyed God, and defected from the household of God, he left an authoritative vacancy, within the glass sphere of planet Earth, of *Righteous Representation from Heaven*.

Concerning activities and operations currently occurring upon the planet Earth . . . God is authoritatively on the outside of the glass sphere, and looking in . . . He has no representation on the inside. All HuMAN Beings, at this point in time, are Gentiles and are estranged from God (Ephesians 2:12).

He is able to have specific dealings with certain individuals that He approaches upon the planet, but He is limited in what can be accomplished.

God needs legal, and righteous representation availability, operating upon the Earth in order to proceed with His *Plan of Redemption* program. The gifted, Immutable Counsel, Logos Blueprint Records of Probation, (*The Scriptures*) reveal unto us that God approached a Gentile, barbarian, heathen, pagan MAN named Abram, and offered unto him a Blood Covenant Deal.

“And he said, Lord God, whereby shall I know that I shall inherit it?”

And he said unto him, Take me a heifer of three years old, and a she goat of three years old, and a ram of three years old, and a turtledove, and a young pigeon.

And he took unto him all these, and divided them in the midst, and laid each piece one against another: but the birds divided he not.

And when the fowls came down upon the carcasses, Abram drove them away.

And when the sun was going down, a deep sleep fell upon Abram; and, lo, a horror of great darkness fell upon him.

And he said unto Abram, Know of a surety that thy seed shall be a stranger in a land that is not theirs, and shall serve them; and they shall afflict them four hundred years;

And also that nation whom they shall serve, will I judge: and afterward shall they come out with great substance.

And thou shalt go to thy fathers in peace; thou shalt be buried in a good old age.

But in the fourth generation they shall come hither again: for the iniquity of the Amorites is not yet full.

And it came to pass, that, when the sun went down, and it was dark, behold a smoking furnace, and a burning lamp that passed between those pieces.

In that same day the Lord made a covenant with Abram, saying, Unto thy seed have I given this land, from the river of Egypt unto the great river, the river Euphrates:” (Genesis 15:8-18)

Special Notation: A Blood Covenant is the strongest, and the deepest, absolutely unbreakable, unalterable, most enduring, imperviously binding, legal contract in existence. And, there is no way of breaking the Covenant, on either side, without impending heinous, life forfeiting consequences.

The three valid, ironclad, Blood Covenants that are currently within operation amongst Humanity are:

1. Marriage . . . which is a binding, two shall become one union between one Male Human Being—and one Female Human Being (*Genesis 2:24; Ephesians 5:31*).

2. The Abrahamic Blood Covenant . . . which is a binding legal contract between any individual that can trace their lineage back through Jacob, and unto Isaac, and finally unto Abraham—and the Almighty Creator, Majesty, Most High God (*Genesis 15:8-18; Isaiah 61:6-8*).

3. The Christian Blood Covenant . . . which is a binding, second, legal contract between the *New Creation Jesus Christ of Nazareth* (including all individuals that find themselves *in Christ*) and the Almighty Creator, Majesty, Most High God (*Genesis 15:17; Jeremiah 31:31; Hebrews 8:7; 10:7-9; 12:24; 13:20*).

God needs legal, righteous, representation in the Earth. Adam's defection from God's household, left the Lord holding the bag. His only employee has taken a job working for His competition. God has no one to work with. God's Covenant invitation to Abram will give Him that representation that He needs.

Through Abraham, God invests thousands of years in laying the groundwork and preparing Man to be brought back to a place of being spiritually alive again. Man will once again be able to hear His voice on the inside, Spirit to spirit, and receive His counsel and leading.

Approximately two thousand years ago, Jesus of Nazareth told the Pharisee named Nicodemus:

“Verily, verily, I say unto thee, Except a Man be Born Again, he cannot see the Kingdom of God.”

(John 3:3)

“. . . Verily, verily, I say unto thee, Except a Man be born of water and the Spirit, he cannot enter into the Kingdom of God.

That which is born of the flesh is flesh; and that which is born of the Spirit is spirit.” *(John 3:5-6)*

The risen from the dead, *New Creation* Jesus of Nazareth, is the one who is going to make it possible for men to become Born Again, and in so doing, to begin again afresh.

Within an analogous manner . . .

The first vine, in turning bad, has become wild.

It has produced many, many branches, and all of those branches are producing blossoms and fruit.

However, most of that fruit is seriously tainted and is not very good.

The vine, because it has gone wild, is not subject to the nurture and admonition of the Husbandman, who is the Father in Heaven, but rather is running amok and doing its own thing.

In the planting of the first seed, it was necessary for the Husbandman to personally invest some of Himself into the project *(Genesis 1:26).*

Through His breathing into Adam's nostrils, He imparted Divine qualities, and actually transferred His own "image" into this new agent. Now, in the producing of the Second Seed, partial measures will not be enough, there will have to be a fully committed investment.

To begin a new planting project, the Husbandman must section off a tract of the undeveloped land on this planet.

He can then fence off that tract and begin preparations for His "New" crop.

This is accomplished by entering into a legal lease agreement with a branch named Abraham, to establish set boundaries and rights, and to develop a particular section of workable acreage.

From that branch named Abraham shall come forth a supply of seedlings that can be planted within that sectioned acreage.

But these seedlings, even though they are young, still find a connection with the original seed gone bad, in blossoms that stink and fruit that is rank.

These seedlings and that tract of land corporately will become known as the Nation of Israel.

The next step comes in the form of surveying the branches of the seedlings that have developed on that piece of acreage. And over a period of time, the selecting of a suitable branch that can, and will, surrender a workable branch-producing pod.

Should it be that we handle this project with skill, the Husbandman will be able to successfully graft branches stemming from the original vine gone bad, onto the "New" Good Vine that He is going to grow up on that tract of land that He has been working on.

They can then draw nurture and admonition nourishment from the Good Vine, and can themselves begin to produce sweet blossoms and good fruit.

We shall then be able to save some of the original crop that we thought was totally lost.

*We will be able to possibly redeem some of the branches that may be
salvageable and hopefully, harvest some good fruit.
What a happy day this will be.*

The Perfect Man . . .

Jesus Christ of Nazareth

0-12 years of age: Inclination to Obedience

Jesus of Nazareth was a Human male individual, born without the innate effects of Sin influencing his behavior.

He possessed a Sinless, pure, *Human Nature*, even as God had originally designed the *Species* of Human Being to have, from the creation of Adam.

He had a 100% Human mother, who was *Spiritually Dead* in her sins, just as all Human Beings were from the time of Adam and Eve's yielding to Sin (*Romans 5:12*).

However, Scriptural study will confirm that the female of the Human Being *Species*, even though she is personally dead in her own sins, does not pass that element of Sin on to any of her children. Scriptural reality dictates that the spiritual element of Sin is carried by the physical vehicle of blood . . . and even though a Human female possesses all of the ingredients necessary to produce another Human physical body (*Psalms 40:6-8; Hebrews 10:5*) . . . the ingredient necessary for blood production, within that new body, always comes from the male of the *Species*. Even unto today, the male of the Human *Species* actually determines the sex of any child.

As Jesus of Nazareth grew, he was tempted, as all men are tempted (*Matthew 4:1; Hebrews 2:18*). But even at a young

age, there was not a yielding to concerning that temptation, and a conceiving of Sin to make him do things that he did not want to do or to keep him from doing the things that he did want to do (*Romans 7:15-23*).

12-30 years of age:

Instructional Infusion Within Divine Declaration

From the time that Jesus of Nazareth learned who he really was, by ***“finding himself in fashion as a man,”*** (*Philippians 2:8*) he purposed to incline himself to the things of Eternal value. ***“Wist ye not that I must be about my Father’s business?”*** (*Luke 2:29*) Jesus had to read the Scriptures, just like any other Human Being. Jesus had to purpose to meditate upon, and study, the Word of God, just like any other Human Being. Human Jesus did not have the Word of God automatically contained within him, simply because he was, in fact, the flesh product of the Word of God (*John 1:14*). Jesus was fully a Human male (*Hebrews 2:17*), and was required to operate within the parameters that Human Beings are restricted to operate within.

One of the main reasons that there are not a plethora of Scriptural notations as to what Jesus was doing from the time that he had ***“found himself,”*** is because he was totally immersed in reading, studying, and meditating upon the Incorruptible Seed of the

Word of God. He was preparing for the work that he was sent to finish (*John 4:34*).

***30 years of age until Death:
Empowerment Unto Excellence By The Absolute***

At the Jordan River, the Holy Spirit of God was seen in the bodily shape as a dove **“*descending, and remaining on him*”** (*John 1:33*) as a Man would wear a cloak.

The Holy Spirit was sent by the Father in Heaven to counsel him, and to guide him, and to empower him as a Human Being, to work the works of the Father in Heaven who sent him (*John 4:34; 5:36*). From the time of his emerging from the wilderness, Jesus would no longer simply go wherever he wanted to go. He went instead to where the Holy Spirit would direct him to go.

The wilderness experience had provided a Sinless Man, with the opportunity to *tune-in* to the **“*still small voice*”** (*1 Kings 19:12*) of the One who cloaked him. He was already inclined to think good thoughts because he had no Sin influence; however, now he would discipline himself to **“*hear what the Spirit would say*”** (*Revelation 2:7*).

He was already inclined to speak forth wholesome words because he was a Man without Sin influence; however, now he was to learn how to open his mouth and let the cloaking Holy Spirit of God **“*teach you in***
