# Introduction

For the most part, 21<sup>st</sup> Century Christendom has relegated the Kingdom of Darkness into a position of Scriptural notation and potential *preaching* titillation ... but as far as actually recognizing their total defeat at the Resurrection of Jesus Christ of Nazareth, and truly dealing with them from a position of the victory that Jesus has provided ... they have proven to be sadly impotent.

Preachers continue to preach ineffectively, and Bible study *talk story* times continue to occur regularly, but sickness still runs rampant, disease continues to destroy, mental disorders are the verbal venues of the day, and death is ashamedly allowed to pick off members of Humanity with predictable accuracy. God is recognized verbally as Sovereign, but Satan rules the day as members of the Body of Christ remain woefully ignorant of who they are *in Christ*, and stand mostly within a position of observation, while devastation occurs on every horizon. How pathetic can it get?

Come with us, won't you? Pick up your Bible, and join us in a quest to learn something of value, and become pro-active within your Christian experience. Refuse to put up with darkness prevailing at every turn, and loved ones ... family and friends alike ... being assaulted unmercifully.

***“... When the enemy shall come in ... like a flood the Spirit of the Lord shall lift up a standard against him.”*** (Isaiah 59:19b; Enhanced)

You are part of that referenced flood. You are the instrument of that declared standard, to be used by the Lord, in bringing defeat manifestation to that which is already defeated. You are the one to bring the devastations of *Life* to a halt. You are the one.

The battle is actually over ... and Christians have actually already won the victory ... but the Kingdom of Darkness would like you to believe otherwise. Why don't you purpose to jog their memory ... command them to shut their mouths ... and direct them to proceed to the uninhabited portions of the land? Why don't you decide to put them in their place? It doesn't seem like anyone else is going to do it.

Should you decide to come with us, it shall prove to be a journey of excitement and fun. Let's throw the shackles off with revelry and zealously. Come along with us, and rejoice in what the Lord has done.

# The Origin of the Kingdom of Darkness

## CHAPTER 1

There are three Kingdoms that make up the currently invisible, “foreign country” of the World of the Spirit. And, the foundational ... **Triune Creative Format** ... is the basis for all three of these spiritual Kingdoms that do exist ... which format within itself ... is a distinct product of Foreknowledge. (*Isaiah 46:10*)

The first Kingdom, and of course the largest one of the three, is the Kingdom of God. This Primary Kingdom covers the entire expanse (*Space wise*) of the Universe, from one end of it to the other end. (*That is, if there are any ends.*)

The Magnificent, Creator God of all things, is the One who has established this Kingdom through the process of Original Creation. It is, after all, His Spiritual Realm, and He is the Owner/Operator of all Kingdom activities that occur.

The Kingdom of God is approximately 50,000 years old, (*Psalms 147:15; Jeremiah 1:12*) as men calculate *Time*, and is currently still within the process of adjusting and settling into place ... and God is rapidly bringing to a conclusion the Second *Probationary Period* for all *Moral-Life* creations. (*Romans 9:28*)

A basic notation of Creation itself is that a Magnificent, Loving, Creator God ... who has clearly declared His desire to become a Father (*Genesis 1:26; II Samuel 7:14*) ... is not going to wait for millions and millions of years, in order to do so. (*The Theory of Evolution is sooo wrong ... and Christians willingly buying into that false Theory is sooo wrong ... it is not at all humorous.*) In simplicity ... God is going to prepare an appropriate playground for His expected children ... and because of gifted, autonomous, Free Will, for all *Moral-Life* ... He is going to *experiment* and perfect Free Will love reciprocation with early subjects ... and then proceed to produce His own Personal Family. (*Ephesians 2:19*) (*And for the enthusiastic "Well, God is God ... and He knows everything ... and He doesn't need to experiment!" zealots ... please remember that God does not allow His Foreknowledge to override His Faith, in anything that He purposes to do ... ever ... so He shall proceed step by step within a Divine Design order.*)

It is during His first and second *Moral-Life Experiments*, that the Kingdom of Darkness, which we are studying about, actually finds its roots.

\*\*\*

It would seem relatively obvious, that God's first *experiment* with Free Will *Moral-Life*, would be all of the Holy Angelic Hosts of Heaven, which we find logged profusely within the annals of Scripture.

\* God Himself is a manifest plurality of Three Persons operating within a singularity as One God. (*1 John 5:7*) \*

However, even with Three Persons, we are talking about the overwhelming, manifest actions of actual ordered Creation ... not magic ... and the Personage of God shall intelligently utilize His own early, unique Creations ... to assist Him in the various endeavors of further creative tweaking. *[The Holy Angels are actually the ones who shall construct the cities ... and write the books (Revelation 20:12) ... and build the furniture (Isaiah 6:1, 6; Hebrews 9:5) ... and stable the horses (II Kings 2:12; Zechariah 1:7-11) ... and tutor the children ... and prepare the facilities (Matthew 25:41) ... and bring answers to prayers (Daniel 10:13-21) and carry the personage residue of other Free Will Moral-Life creatures unto their intended destinations. (Luke 16:22)]*

Within their unique design, Holy Angels are purposely vocational; and additionally, there is a ranking system established for legitimate promotional rewards. *(Psalms 75:6; Ezekiel 28:15) As Angels are fabulously created, (whether singularly or en masse' is not clear ... because there is no Reproductive Permission for Angelic Hosts found at all ... within the Scriptures) ... they complete their orientations and are immediately assigned to specific tasks.*

Where the once Holy Angel named Lucifer finds himself, within this assemblage ... or when his particular number came up ... is not known ... but what is known is that his work was flawless from the get-go, and over time he enjoys promotional advancement up through the ranks. *(Ezekiel 28:14-15; Habakkuk 1:14)*

It would seem that Lucifer was originally designed for participation within the established worship team of

Heaven, (*Ezekiel 28:13*) but because of his faithfulness, his beauty, and his manifest wisdom, he was ultimately promoted to a planetary position of governance over a young, fledgling, *Moral-Life* constituency of Other Creatures. (*Isaiah 14:13; Ezekiel 28:13, 17; Romans 8:39*) Moreover, he is anointed with the very creative power, which comes from God ... designed for the intended purpose of further creative endeavors of assistance. (*Ezekiel 28:14a*)

At some point in time, within this capacity of governance, he allows his thoughts to wander off and go renegade concerning illicit intentions ... and further allows ... his personal desires to elevate and deviate from the Divine vision of purpose, which God has given unto him. And as he becomes more and more persuaded concerning his own personal lust fulfillment, he begins to verbally slander God to the other *Moral-Life* creatures that have been entrusted unto his stewardship care. (*Isaiah 14:13-14; Ezekiel 28:15-17; James 1:14-15*)

\* It is at this precise moment within the calculation of *Time*, and because of the granted carriage of anointing, (*Ezekiel 28:14a*) that the heinous, acidic, Law of Sin (*Which is a knowing, conscious, willing, action ... contrary to, and against, that which is known to be right and true*) suddenly bursts onto the scene, and immediately swallows-up Lucifer into its captivity. He *Spiritually Dies* ... but even though he is now missing his 3<sup>rd</sup>-Dimension of *spiritual depth* ... he is still able to become a slave to Sin's bidding. \*

From this specific point onward ... even though the creative anointing is immediately removed because of the usage abuse ... Satan's thoughts and his actions shall be compulsively driven by the innate power that is contained within the Law of Sin itself ... of which he has become the author. (*Romans 7:15-23*)

\*\*\*

As Lucifer is within the process of stated slander towards God, (*Ezekiel 28:18*) concerning his subjects on planet Earth, he is additionally approaching and attempting to seduce other Holy Angelic Hosts, throughout the habitation portion of the Universe, to abandon their positions of faithfulness, and supportively join him in his seditious maneuvers ... promising them What? ... within his enlistment proposals?

Now, at this particular juncture of discourse ... please understand that these actions are occurring over extended periods of days, weeks, months, years, decades, centuries, and millennia ... and not simply happening overnight. And as we reflect upon Scriptural truth, (*II Peter 3:9*) also understand that a Magnificent, Loving, Creator God is going to gift Free Will *Moral-Life* agency with an opportunity to change their thinking. What the catalyst of that change might have been, has not been revealed unto us within the Scriptures, but its reality is received by reflection of how the Magnificent,

Loving, Creator God has dealt with *Mankind* ... and the reflection of His unchanging nature of Love. (*II Peter 3:9; I John 4:8*)

It is obvious unto us today, because of the Scriptural record that we possess, to be able to see that Lucifer was somewhat successful in his seductions, to the point of amassing a sizable number of once-holy Angelic Hosts; (*Revelation 12:4*) and additionally, the entire populous of the planet placed under his stewardship ... which is Earth ... with his infectious rebellion.

It is additionally obvious unto us that at a certain point in *Time*, a calculated assault was launched against the Universal Headquarters of the Magnificent, Creator God ... in an attempt to overthrow Him and take His place. (*Isaiah 14:13; II Corinthians 12:2*)

However, that coup-de-ta was completely unsuccessful, and Lucifer and his fallen-from-grace Unholy Angelic associates were directly confronted by God and soundly dealt with. Lucifer himself experienced a name-change alteration, to reflect his Angelic/Sin nature change ... and Satan and his associates were forcefully expelled from the Third Heaven, (*II Corinthians 12:2*) and deposited once again upon the planet Earth. (*Luke 10:18*)

The catalyst of Reconciliation, whatever it may have been, is now withdrawn. The die has been cast. Unrepentant thoughts, words, and deeds of all of the spiritual criminals are entered into the ledger. The complicit Unholy Angelic Hosts of rebellion, from various

places within the Universe, are not allowed to return to their previously appointed task locations ... rather, they are permanently restricted to the First Heaven, atmospheric parameters of the rebellious planet Earth. And the Divine Team of Judgmental Oversight comes to the planet in order to render righteous recompense.

Earthquakes and tectonic-plate disruptions occur *(Jeremiah 4:24)* ... the Animal Compliment to the Social Order of Other Creatures *(Romans 8:39)* (*Which included the "dinosaurs" of Evolutionary caveman falsehood*) attempt to flee and escape the impending doom *(Jeremiah 4:25)* ... that which was lush and flourishing, amongst flora and fauna, experiences rapid blight *(Jeremiah 4:26)* ... and the orderly construction of the cities which housed the residents of the planet were broken down by the presence of the Lord, and by His fierce anger. *(Jeremiah 4:26)* The waters, which were withheld above the atmospheric firmament, fell downward; and the waters, which were below the firmament gushed forth. And the unnamed Flood of Lucifer was suddenly upon the planet Earth. *(Psalms 104:6)*

Even as shall occur thousands of years later, within the days of a Man named Noah ... all physical life shall drown ... except in this instance, there is no Ark to preserve even a few ... of the *Moral-Life* and Animal Compliment creatures alike.

Finally, as the Judgmental Team departs from the scene ... all-ambient light is blocked from shining upon

the Earth, (*Genesis 1:2; Jeremiah 4:23*) and the result is a predictable, Judgmental, Ice Age. Overwhelming silence prevails. And the Magnificent, Creator God brings the First, *Angelic Probationary Period*, peacefully to a close.

# The Development of the Kingdom of Darkness

## CHAPTER 2

The planet named Earth now lies uninhabited. Shrouded in abject darkness, the thick Ice ... produced by withholding all of the ambient light ... covers the entire surface of the flooded globe. The previous *Moral-Life*, Other Creature, physical, *Terrestrial* bodies are all dead (*1 Corinthians 15:40*) ... but the residue of each individual ... the actual *spirit/soul* compliment of the actual person ... is very much alive and suspended under the frozen water.

The entire insurgent group of fallen, unholy Angels, including Satan ... which each dwells within a *Celestial* body (*1 Corinthians 15:40*) ... and are therefore unaffected by the Floodwaters ... either fly aimlessly within the darkness or walk upon the Pack-Ice of Judgment.

*(The unspoken notion ... or even the unthought-of idea that "somehow" Satan and his toady followers are "off somenhere," and not really an integral part of what is going on upon the planet Earth during these Judgment occurrences, is purposed ignorance. Satan was cast back down to the planet Earth after his failed coup ... and so were his fallen, unholy Angelic stooges. (Luke 10:18) And they are all still here.)*

*\* (As a separate notation: it is after the conclusion of the First, Angelic Probationary Period ... and prior to the initiation of the Second,*

*Probationary Period for Mankind ... that the facility which we know of as the Nether World – or the World of Departed Spirits – or the Region of the Damned – or, in short, Hell is prepared. (Matthew 25:41)*

*Had the facility been created prior to the conclusion of the Angelic Probationary Period ... then all of the spiritual criminals, including Satan, would have been rightfully incarcerated upon the conclusion of manifest Judgment. However, once again it is substantiated that the Magnificent, Creator God does not allow His Foreknowledge to override His exercise of Faith.*

*The whole of the unrepentant rebellion has justifiably angered the Magnificent, Creator God, and He has been moved to kindle a fire for all of the rebellions that shall ever take place ... Forevermore. (Deuteronomy 32:22) It would be illegal to incarcerate “after the fact,” so instead, the Lord shall postpone the actual incarceration until the Second, Probationary Period for Mankind is all but concluded ... and utilize the miscreants in substantiating Free Will decision and consequence ... and then, post the end results on the Internet. It is, therefore, time to move on.) \**

At a given point in *Time*, the Magnificent, Creative Trio of the Godhead returns to the Judgmentally messy playpen of *Moral-Life* ... and upon entering the room ... they turn on the light. (*Genesis 1:3*) In anticipation of the creative endeavors, which shall shortly come to pass, the expressed Word of God is once again accelerated to accomplish the necessary “*clean up*” process. (*Psalms 147:15; Jeremiah 1:12*)

The permissive light allowance causes the frozen waters to thaw rapidly. As the 24-hour increments clock by, the newly created creatures of the sea, (*Genesis 1:21*) gorge themselves upon the physical remains of the previous inhabitants. *Time* notation adjustments of Night and Day are fine-tuned (*Genesis 1:4-5, 14-18*) ... the liquid boundaries

are once again enforced (*Genesis 1:9*) ... a large, singular, dry land mass is secured (*Genesis 1:9-10*) ... created flora and fauna re-forestation occurs (*Genesis 1:11-12*) ... and the Animal Compliment enhancement upon the large, single, global dry land mass was brought forth. (*Genesis 1:24-25*)

A complete general overview of the planet Earth shall reveal a world of restoration manifestation, but not a fully Garden-level pristine condition. And in addition ... Demonic *spirit/soul* residues are wandering throughout all of the dry places (*Matthew 12:43*) ... fallen Angelic principalities, powers, future rulers of the darkness of this world, and select spiritual wickedness in high places, are raucously running loose within the firmament and upon the dry land mass as well (*Ephesians 6:12*) ... and Satan, the prince, and lord of darkness, is surveying his assets and even then planning his next set of heinous maneuvers, designed for reeking havoc amongst whatever new *Moral-Life* resident that the Magnificent, Creator God shall bring forth to dwell upon the planet Earth. (*II Corinthians 4:4; Ephesians 2:2*)

In order for the planned, newly Divine children of God (*Genesis 1:26*) to have a fresh and fair chance of beginning ... the Magnificent, Creator God specifically plants a Garden within the regions of the East (*Genesis 2:8*) ... and strictly forbids any rebellious entity, from the newly established Kingdom of Darkness, from trespassing into this Garden.

God proceeds to form a newly designed, physical, *Terrestrial* body (*1 Corinthians 15:40*) from the dust of the ground and exhales the totality of Himself (*Saving for the four non-transferable qualities of Omnipotence, Omniscience, Omnipresence, and Self-Existence from Everlasting*) into the empty shell. (*Genesis 2:7a*) The Supreme, Magnificent, Creator Big-G has just doppelgänged Himself a little-g (*Psalms 82:6; John 10:34*) for the purpose of being His Only Created Son ... and the Family production process has begun.

As a good Father, the Magnificent, Creator God informs His Only Created Son of who he is, and what he is expected to do ... placing the security issue of the Garden of Eden within his hands. (*Genesis 2:15*) He further informs him of necessary obedience requirements (*Genesis 2:16-17*) ... and then demonstrates the actually ordered steps ... for genuine Creation to take place ... right before his very eyes ... and literally incorporates him within the whole of the process. (*Genesis 2:18-20*)

God's new Only Created Son, named Adam, expresses disappointment that he seems to be singularly unique within the Creation, so his loving Father gently puts him into a deep sleep, and surgically prepares a delightful gift for Him (*Genesis 2:20-22*) ... extracting from his being all of the unique Female aspects that were transferred into him with *Life* breath impartation (*Genesis 2:7a*) ... while leaving within him that which is uniquely Male ... and of course, those aspects which are mutually shared.

*\* {Please understand at this juncture ... that within the very Personage of the Supreme, Magnificent, Creator God dwells all of the unique aspects of both the Male and the Female gender alike. And when God exhaled the whole of Himself into His Only Created Son ... He exhaled all of the aspects of both the Male and the Female gender uniqueness into him. Again at this juncture ... and with this gifting ... realize that the scene is being set for Reproductive Permission of Moral-Life to be given for the very first time ever (Genesis 1:28) ... and that there is a Godly order to differing gender operations that is being established (Numbers 30:6-8; I Corinthians 11:8-9) ... which shall ultimately be permanently withdrawn for all of the future gendered Females that shall genuinely place their trust in the finished work of the Lord Jesus Christ of Nazareth. (Galatians 3:28)} \**

Adam, of course, is more than thrilled with his new playmate. And even within Twitterpation's raging; Eternal edicts are still being given from Heaven. God informs the couple of their extensive authority, (*Genesis 1:28; Psalms 8:4-6; Hebrews 2:8*) and Adam is charged with the responsibility of guiding, guarding, and governing his new wife. (*Genesis 2:24; Numbers 30:8*)

Meanwhile ... Satan has been pacing back and forth outside of the Garden hedge perimeter and listening to all that is going on. And when Adam's distracting gifting occurs, he seizes the opportunity to break through the forbidden barrier hedge, undetected, and approaches a newly created beast of the field called a serpent. (*Genesis 3:1*) Successfully securing the serpent's aid, Satan returns to his place of origin. And even though the Lord God Almighty is quite aware of this transgression ... He nevertheless has put the whole security issue

of the Garden (*Good or Bad*) into his Only Created Son's hands (*Genesis 2:15*) ... and so, He is not obligated to say anything.

Adam is in the process of giving his new wife a thorough tour of the whole of the Garden of Eden, and the serpent, by directive, purposes to encounter the couple at every opportunity. Adam should be fully informing the woman of all that he has been informed of, by God ... however, he does not. And there comes the point in time when a "*chance*" encounter occurs between the Twitterpated couple and the serpent ... right in the midst of the Garden, in front of the Tree of Life and also the Tree of the Knowledge of Good and Evil. (*Genesis 2:9*)

Now ... a paraphrase of one of the spiritual-law issues that are currently in operation is "*If you are a good steward over little, then the Lord shall make you to be a steward over much.*" (*Matthew 25:23*)

The intended course of action was for God's Only Created Son to be a good steward over the little of the Garden of Eden ... and God would then make him be the steward over the much of the whole restored Earth.

And then Adam was to be a good steward over the little of the whole Earth ... and God would purpose to make him be the steward over the much of the remainder of the Solar System to which the Earth belongs.

And then Adam was to be a good steward over the little of the remainder of the Solar System ... and

God would follow and make him be the steward over the much of the entire Milky-Way Galaxy.

And then Adam was to be a good steward over the little of the entire Milky-Way Galaxy ... and God would have made him be the steward over the much of a full quadrant of the Universe.

And finally, Adam was to be a good steward over the little of the full quadrant of the Universe ... and God would indeed make him be the steward over the much of the remainder of the entire Universe.

But ... that is not what happened!

So ... returning to our Exposé ... we find Adam and Eve ... in a “*chance*” encounter with the serpent ... right in the middle of the Garden of Eden ... in front of both the Tree of Life and the Tree of the Knowledge of Good and Evil. (*Genesis 2:9*) And Adam has already been given permission to eat of every tree within the Garden of Eden ... except for the Tree of the Knowledge of Good and Evil. (*Genesis 2:16-17*)

Following his instructions, the serpent’s first recorded statement ... specifically directed unto the woman Eve ... is to challenge the spoken Word of God. (*Genesis 3:1*) That initial assault of challenge, extended against every unchanging edict from Heaven, has steadily continued for the last 6,000 years of *Time*, and is more vigorous and heinous today than ever before ... through the number of various altered and adulterated

“*Versions*” of translation copies of the incorruptible written Word of God. God has never ever altered what He has uttered. God’s Word, spoken or written, is not subject to becoming a “collection” of various Man-altered abominations of change. God said what He said ... and that’s it!

*(\* The King James Version Translation of the Bible is the only authorized, “foreign language” dialect, Divinely designed to be the fluent communiqué utilized, within the invisible “foreign country” that is known of as The Realm of the Spirit. \*)*

Please remember that God has never instructed Eve, personally ... but He has instructed Adam personally ... and now Eve finds herself unsure of exactly what to say to the challenge. *(Genesis 3:2-3)* When the serpent continues to declare and finds those declarations unchallenged by the Only Created Son ... Adam, *(Numbers 30:8)* the tipping point of disobedience is reached. *(Genesis 3:4-5)* Eve’s partaking of the fruit, and her leading of Adam to partake of the fruit as well, confirms the agreed rebellion against established authority. *(Genesis 2:17; 3:6)* And, it is at this particular juncture in *Time* that everything now changes ... for the worse.

\*\*\*

The deed is done! God’s Only Created Son, Adam ... even as Lucifer was ... has been taken a captive prisoner by the heinous Law of Sin, and become “*a servant*”

*to whom he obeyed.”* (Romans 6:16) In *Spiritually Dying* (Genesis 2:17) he has fallen from the original 3-Dimensional condition of grace that he was created within ... and is now become fully 2-Dimensional within his personage. (1 Corinthians 2:11-16) He can no longer effectively communicate with the Magnificent, Creator God on a *heart to heart* basis because his 3<sup>rd</sup> Dimension of *Spiritual Depth and Height* is completely gone. (1 Corinthians 2:14; Ephesians 3:18) From now on, God will have to physically talk and deal with Adam, from the outside of his personage, and vice versa. The power of the Law of Sin shall now compulsively drive Adam’s thoughts, words, and deeds ... and there is nothing that he can do about shaking that. (Romans 7:15-23) And the complete set of Primary, *spiritual “senses,”* (*Which are spiritual Sight, Sound, Taste, Touch, and Smell*) that Adam had possessed ... are become inactive and dormant. (Hebrews 5:14) Adam has, in effect, become a marionette puppet of Satan, with the strings of Sin dictating his every move. (Romans 7:15-23)

The Tree of Life (*Which will provide an Eternal, physical-life-extension condition*) has not yet been transplanted back into the gardens within the City New Jerusalem from whence it came ... but is still within the Garden of Eden. Should Adam and Eve now partake of the fruit of that Tree ... they shall have the capacity to physically live Forevermore ... and still be shackled to the Law of Sin. That ... cannot be allowed. Eviction from the pristine Garden of Eden becomes mandatory.

\*\*\*

Lucifer has gone from being an obedient, young, Holy Angel, to becoming a rebellious upstart. His name-change reflects his unholy Angelic-nature (*Hebrews 2:16*) alteration because of the power of the Law of Sin. His rebellious leadership endeavors have dismally failed ... and his followers are not real thrilled with the outcome of their banishment. However ... they freely chose to follow him in the first place ... and now they are forcefully required to follow him ... by the compelling Law of Sin's power to obey. (*Romans 7:15-23*) They have forfeited their Free Will gifting, in favor of personal lust fulfillment.

Successful deception of the extensively-authoritative woman (*I Timothy 2:14*) ... and willful obedience to Sin, of the extensively-authoritative, Only Created Son (*Romans 6:16; I Timothy 2:14*) ... has put Satan in the driver's seat concerning the workings of the affairs of this world. (*II Corinthians 4:4*) Now ... he and his fallen, unholy Angelic toadies ... and his Demonic stooges ... shall mercilessly torment and drive men, utilizing the Law of Sin's power, until, referencing *Mankind* ... "*the thoughts of his heart was only evil continually.*" (*Genesis 6:5*) And if he personally plays his cards right ... Satan shall be able to be "*like the Most High*" (*Isaiah 14:14*) (*Within his own Kingdom*) just as he has wanted to be for a long, long time.
