Introduction

A 3-Dimensional “Condition” Reality is the original matrix of this created Universe in which we live. The Creator of this Universe is actually a 3-Dimensional Being Himself, and all of that which flows forth from Him, creatively, is also 3-Dimensional within its very nature.

And because He is a Triune God, that is, there is a First Person of the Godhead, and there is a Second Person of the Godhead, and there is a Third Person of the Godhead, it is only natural that His purposed creative format is many, many times, going to be a collective composite of “Three.”

A 3-Dimensional “Condition” is the original. A 3-Dimensional “Condition” is the standard. A 3-Dimensional “Condition” is the norm. A 3-Dimensional “Condition” is just what innately radiates forth from the 3-Dimensional Creator without any difficulty at all.

Now, by this time, some of you are wondering, what is all of this “3-Dimensional” stuff about? I don’t see any of this “3-Dimensional” terminology within the Bible. I don’t ever hear my pastor mentioning “3-Dimensional” during his sermons. I don’t even run across any “3-Dimensional” anything, within my local Christian bookstore. So, what is this purposely focused, specific discussion of “3-Dimensional” really all about?

Well, that is what this small work is addressing . . . the reality of a valid 3-Dimensional “Condition,” and its distinctly opposite, innately valid, virally diminished, 2-Dimensional “Condition.”

Ride along with us through the following pages of adventure and learn about the largest single influence of Reality within the whole of all of Creation. Learn about the very real invisible reality, which impacts the totality of the whole of the visible realm. And, no matter who you are, if you are reading these words right now, you are involved within these spiritual truths, and there is nothing that you can easily do about that.

However, you can purpose to learn. You can purpose to choose to become informed. You can reach a plateau of understanding, especially concerning Dimension realities, particularly within a spiritual context, that you have never had before.

So, choose to hop on board. Choose to increase in the knowledge of your God. Choose to become informed, so that you may share with those around you, and help them to understand why things work the way that they “seem” to work.

Learn to understand . . . and adopt . . . these verbal terms:

3-Dimensional . . . is having to do with unrestricted, “outside of the box” thinking and acting Reality.

“*Absolute-Life*” . . . is the fullness of 3-Dimensional, Immortal, vibrant, God-*Life*.

2-Dimensional . . . is having to do with restricted and diminished, “inside of the box” thinking and acting Reality.

“*Existence-life*” . . . is to live at an inferior, or greatly limited, level of *life*. “Merely existing”, as they say.

Massive Authority and Control . . . is the gifted authority and control given to Adam for a specific purpose.

“*Luciferic*” *influence* . . . is the extent unto which Lucifer had personal influence within this Universe.

“Condition” . . . is an invisible restricting or modifying factor, which presents itself as a State of Being.

“*capacity*” . . . is having the valid potential, or the ability, to proceed further.

What Are the Foundations of 3-Dimensional “Condition” Reality?

CHAPTER 1

As in everything, it all begins with the Blessed, Incomparable, Magnificent, Creator God. He is the very Source. He is the foundation of all of Creation. He is the ultimate Who, What, Where, How, Why, and When. He is the very epicenter of all things. And, He is above all of these innate things, a *Real Person*.

Dealing with Him, from the position of dealing with a *Real Person*, is the best approach that one can take, and that is the venue, which shall provide one with the maximum results. Choose to place every religious, ethereal, impersonal, and intellectual approach to the Blessed, Incomparable, Magnificent, Creator God on the side, and genuinely expect to be dealing with a *Real Person*.

* * *

At the outset of this study purpose to realize that, there is but one single Universe, and not a bevy of multiple Universes, which is contrary to what professionally “in-telligent” individuals have attempted to postulate. And, also purpose to realize that there are but three actual,

relevant, physical, working “Dimensions” (*[1] Forward and backward . . . [2] left and right . . . and . . . [3] up and down*). Which is additionally contrary to what professed intelligence, and the science fiction community of today, promotes.

*(The invisible Created element of the “Time” containment net, being put forth as an actual fourth “Dimension” is admirable, but incorrect. The Created element of “Time” itself is not a “Dimension”, but rather is an invisible, inflexible, complex, collective containment net, of ten calculated segments of **T**abulated **I**ntervals of **M**easured **E**xistence, into which all of Creation has been poured forth.)*

Because of that reality, this author proposes that in the starting of the whole program of “*Existence*,” the original, Universe-creating exhale was issued by the Blessed, Incomparable, Magnificent, Benevolent, Creator God, (*Genesis 2:7; Psalms 33:6, 9; John 20:22*) which was subsequently followed by myriad numbers of galaxies beginning to gaseously coalesce through uttered verbal decrees. (*John 1:3*)

Various numbers of solar systems, accompanying certain stars, were then created within these coalescing galaxies (*John 1:3*) and accurately synchronized, some even with habitable planets. And within the extended, collective net of *Expired-Time*, the precise moment within flowing “*Existence*” finally arrives to initiate Free Will, Intelligent, Moral-*life* Creation.

(Intelligent-life being brought forth by God, for the express purpose of desired fellowship, and Created distinctively Moral because of the soulishly inclusive factor of Free Will or Free Volition, is the purposed goal. Understanding that the very sensible reason and legitimately valid purpose for Moral-life, is the single most distinct reason for there even to be a Created Universe in the first place.)

* * *

The Scripturally noted “*Hosts of Heaven*” were logically the first segment of Moral-life Creation to be uttered forth into Existence, (*Psalms 33:6, 9, 148:1-5; John 1:3; Romans 4:17*) whether individually one-by-one, or collectively en masse, is as yet unknown. The Lord then, within the process of *Time*, decided to seemingly utilize some of these Holy Angels who are indeed whom the “*Hosts of Heaven*” are referring to, after they had experienced their initial “*Existence*” orientation of *life*, to attend unto certain follow-up details of needed assistance concerning the ongoing process of Universal Creation. Holy Angels are uniquely and vocationally created, and specifically ranked, and are charged to attend unto the various specifics of their designated talents and abilities.

Even though the Universe is today substantially expansive in size, this author believes that this entire “*Existence*” reality is actually quite young in actual chronological age and was initiated from the creatively formative breath of God.

It is personally believed that we are truly right at the beginning of the whole of the “*Existence*” program that God has laid-out within the Immutable Counsel of His Word. We are neither at the end of the creative program, nor somewhere within the middle, but privileged to be brought forth right at the beginning.

(A simple, but valid question to ask oneself in light of the vast amount of false Theory of Evolution proliferation that saturates this “scientific” world that we live in today would be, “Why would a Benevolent, Loving, Creator God, who has clearly, verbally expressed His desire for a personal Family, wait for billions and billions and billions of years after He has initially Created the Universe, before ever bringing forth that desired Family?” – Does that even make any sense to you at all?)

God has revealed unto us through His Word, that He is able to “*hasten*” His creative Word to perform it. *(Jeremiah 1:12) (Which means that God is able to “time-lapse-photography” His Rhema Word at His discretion, without violating any of the established foundational creative laws.)*

And, with the creative Word of the Lord additionally being able to “*runneth very swiftly*” *(Psalms 147:15)* what is calculated by scientifically intelligent men who have been adversely affected by that false 2-Dimensional “*Theory of Evolution*” as being billions and billions of years old is, in fact, chronologically quite young.

Fallible men are the ones who invented the actual Carbon-dating machines of *indisputable* testimony and

they are not, by any means, smarter than God. Additionally, they purposely choose not to take into consideration what the Immutable Counsel of the Word of the Lord declares.

It is actually a much wiser position to take to believe what God has to say, rather than to line-up with what 2-Dimensional virally diminished **Sin** affected men have to say.

* * *

This author believes that the entire **“Condition”** of the whole of the Universe during these early creative times was an innately 3-Dimensional **“Condition,”** and that particular chosen belief is because the Creator Himself is a 3-Dimensional, Supreme Being.

*(It is extremely important for us to understand that a **“Condition”** is an invisible restricting or modifying factor, which presents itself as an actual State of Being . . . please do not lose sight of that fact.)*

All of the tenants of the **“Abundant Life”** (*John 10:10*) of which this author often refers to as **“Absolute-Life,”** originally seamlessly flowed forth from the Creator, without any kind of interruption or hesitation, right from **“the beginning.”** (*Genesis 1:1*)

There was no active, operative, evil that was functioning within the *Expired-Time* that we are observing within the Scriptures. There was no manifest

wickedness around. There was no **“condition”** of Death in operation. An invisible 3-Dimensional **“Condition”** was not encumbered with these various negative aspects. It was a pure **“Condition”** of *“Absolute-Life”* without any restraints and without any restrictions. **“Nothing shall be impossible”** *(Matthew 17:20)* was the norm within an actively functioning 3-Dimensional **“Condition.”**

A 3-Dimensional **“Condition”** reality is difficult for most people to mentally comprehend and understand because we are so surrounded and saturated by the currently operating 2-Dimensional, virally diminishing **“Condition”** reality within this world in which we live.

We cannot see the 3-Dimensional **“Condition”** reality with our eyes, nor hear the 3-Dimensional **“Condition”** reality with our ears, nor touch the 3-Dimensional **“Condition”** reality with our hands, so we stumble around ignorantly and struggle to understand it.

In either case, from the *Expired-Time* of the initial Creation release until a certain point of notation within the *“Eternal Testing”* of the Angelic Probationary Period, which is the first *“Testing” Time* segment established, a divinely occurring 3-Dimensional **“Condition”** reality was all that was in active operation and that is what universally prevailed.

Trust . . . Violation of Trust . . . and Consequence

CHAPTER 2

The full cadre of the Holy Angel Lucifer's assignments and tasks we do not fully know, nor do we have the particular intimate details of them. That he began as a Holy Angel we do definitively know. (Ezekiel 28:13) That he was faithful and dutiful and flawless within his task performance we also definitively know. (Ezekiel 28:15) And because of these admirable qualities this author personally believes that he had earned the extended trust of God in the carrying of the very creative "anointing" of the Lord. (Ezekiel 28:14) However, for what "specific purpose" he may have been granted and carrying that stated "anointing" we have not been told.

*(The Omniscient – Foreknowledge of God, (Isaiah 46:10) it would seem does not ever dictate unto God His actual actions or the decisions that He makes even though He is already aware of what is going to ultimately happen within every instance. He is a God of faith and He operates by faith and He **"Beareth all things, believeth all things, hopeth all things, and endureth all things."** (1 Corinthians 13:7)*

So, God’s foreknowledge of what is going to occur within the first Angelic Probationary Period is already known, but it does not alter the manner with which He shall personally deal with Lucifer.)

It would also appear that Lucifer was a Holy Angel that was still operating within the practical process of “training” for a potential future of unspecified promotion. (Ezekiel 28:15) That extended “training” included the standard continuing within the cadre of his original task assignments, and now additionally the gifted governmental oversight of a newly designed *Species* of Free Will, Moral-life creatures that were only recently created and specifically installed upon the planet called Earth. (We may be able to refer to them as the “Other Creature” *Species*, Scripturally speaking. [Romans 8:39])

The actual chronological age of the Holy Angel Lucifer and how long he may have been faithfully fulfilling his given responsibilities before his detrimental Moral failure, is not Scripturally addressed.

*** Special Notation:** *(All Angels are initially created as an independent individual spirit being Species, and they are all gifted with a Moral-life soul and encased within an individual Celestial body. (I Corinthians 15:40)*

They are all “Eternal” within their Creation State condition – which means that they are purposely designed to be able to live forever should they willingly choose to continue within their obedience to their Creator.

All Angels have the “capacity” or ability of flight because of their Celestial bodies, whether they possess six wings (Isaiah 6:2) or four wings (Ezekiel 1:6) or two wings (Exodus 25:20) or no wings at all. (Hebrews 13:2)

At the very outset, even though there is no specific Scriptural notation, certain designated Holy Angels quite possibly constructed [Under God’s specific oversight] and then lived within The City of New Jerusalem, and potentially the numerous other cities that may have been established upon the planet Heaven. [The City of New Jerusalem is the only city upon the entire planet of Heaven that is specifically named within the Scriptures. However, who ever heard of an entire planet that contained only one city?] (Romans 1:20)

The whole of the Angelic Society itself is an all-male society gender wise, with no Scriptural indication whatsoever of any female Angels nor the Man-invented baby “cherub” Angels that we all seem to smile at. It may be because of that reality that there are no Scriptural notations of any reproductive permission being given by God to be able to increase the number of Angels within the Species, even though some of them are actually plumbed to function reproductively. (Genesis 6:4) They are an innumerable company, and all of them are uniquely independently created whether that occurred on a one-at-a-time or an en masse basis.

Because all Angels each have their own personal Celestial body they cannot actually enter into and “possess” another Moral-life being; [As would be substantiated by the reality of the law of two objects occupying the same space at the same time] whether they are rebelliously fallen from grace or have remained faithful and holy.

A "once-upon-a-time" Holy Angel who has strayed into the arena of rebellion and disobedience, and who further refuses to repent when given the opportunity, becomes an Unholy Fallen-Angel at the time of his judgment. He does not become a Demonic entity as so many Christians suppose. He does not "somehow" lose his Celestial body because of his disobedience and change his original Angelic "Species" designation and become a disembodied spirit-soul entity.

Demonic creatures are in truth the disembodied spirit-soul residues of the original inhabitants of the planet called Earth, which once dwelt within physical Terrestrial bodies. They are the second unique experimental "Species" of Moral-life that has been Created by God, referred to as the "Other Creature" Species (Romans 8:39) of which Holy Lucifer was set in a position to rule over within his governmental oversight responsibilities upon planet Earth. (Isaiah 14:13)

When a "once-upon-a-time" Holy Angel rebels and sins he becomes simply an Unholy Fallen-Angel not an entirely different Species of Creation. Just like when the original prototype Human Being Species named Adam sinned, he still remained a regular Human Being even after he had transgressed. He did not "somehow" become some other "Species" of Moral-life. The rebellious Moral-life creature of any Creation Category does not ever "somehow" become a different Species of Creation just because he chooses to rebel and sin against the Creator.

Both Holy and Unholy Angels occupy assigned ranking positions within the different kingdoms that they belong to; and they

follow orders that emanate forth from a higher authority. Holy Angels obey the directions that they receive from the Lord God Almighty, [And today, from redeemed men who are “in Christ”] and Unholy Angels obey by mandate (Romans 6:16) – not by individual choice – the instructions that they receive from Satan their master, who wanted to be like God and make all of the important decisions, (Isaiah 14:14) and give all of the orders in the first place. [And additionally, Unholy Angels must obey authoritative redeemed men who are “in Christ” as well].

Within the whole of the Scriptures there are only three particular Holy or Unholy Angels that are individually mentioned by name: Michael, who stands as the holy prince and overseer of the Nation of Israel; Gabriel, who seems to be the Holy heavenly conveyor of edict; and Lucifer, who was the Holy light bearer and who became the Unholy Fallen from grace Devil-Angel Satan.

And of the three, which are personally mentioned, the majority of informational insight, which is given unto us within the Word of God is concerning the “once-upon-a-time” Holy Angel named Lucifer. [It does seem to be a wonderment does it not? But there must be a logical reason for that occurrence.]

This author purports that at a certain point in *Expired-Time* Lucifer’s granted governmental oversight throne was established upon the planet Earth. (Isaiah 14:13) He proceeded to reign over and interact with the “*Other Creature*” *Species* (Romans 8:39) individuals, which were the residents upon the planet. He is personally a Celestial being himself (Meaning that he has the “capacity,” or ability, to fly) and

they were all physical Terrestrial beings, (*Meaning that they do not have the "capacity," or ability, of flight*) and both of these Moral-life Species of Creation were originally Created within the "Eternal" State of Being Creation condition.

At what precise point within *Expired-Time* Lucifer began to allow his own personal thoughts to go renegade (*Isaiah 14:13-14*) and additionally began to develop his own inappropriate personal desires is still unknown. (*Ezekiel 28:15-18*) However, it is recorded that he did begin to slander God to those under his charge and to his other Holy Angelic associates, and mistakenly thought that he could do a better job at ruling over others than God ever could. (*Isaiah 14:13; Ezekiel 28:18*)

Noted iniquity is certainly in full bloom and is evidenced within the records of the Book of Isaiah (*Isaiah 14:12-14*) however, the Book of James additionally reveals unto us that . . .

"every man is tempted, when he is drawn away of his own lust, and enticed . . . Then when lust hath conceived, it bringeth forth sin:" (*James 1:14*)

So then the question begs the insight of "How long was it, *Expired-Time*-wise, from the actual conception and mixing of these two iniquity ingredients of renegade thoughts and inappropriate personal desires, unto the actual consummation of acting upon this blended iniquity by subsequently calling forth various . . .

“things which be not as though they were”?

(Romans 4:17)

And, there is no Scriptural notation to this query, so we may never know.

* What is certain, is that at the very first utterance or overt action that was taken because of that active volatile iniquity, simply because of the very *residing presence* of the creative “*anointing*” of God, (*Ezekiel 28:14*) an immediate extensive explosive concussion-wave of 2-Dimensional viral diminishment, “*Luciferic*” **Law of Sin “Condition”** influence reality, retched forth and adversely affected every millimeter of Lucifer’s personal contactual-influence within this entire Universe.

(Wheresoever Lucifer would go, whatsoever Lucifer actually did, whosoever Lucifer interfaced with, whatsoever Lucifer might have said, and the entirety of where Lucifer’s “shadow” fell, would be the full extent to which that virally diminished newly Created 2-Dimensional “Condition” took hold.)

Should we choose to utilize and apply the purely symbolic presentation that we can observe within the Book of Revelation in the 12th chapter, that extensive influence that Lucifer would have directly had could involve at least one-third of the whole of the Holy Angelic company, which could additionally include each one of the other individual Holy Angel’s own personal influence within the known Universe as well. Lucifer

himself was indeed the very first casualty of manifest rebellion and became an actual prisoner, which was then taken captive to that newly established “*Luciferic*” **Law of Sin**, (*Romans 8:2, 6:16*) and his universal influence was seriously and substantially invasive.

And this author is personally persuaded that precisely whensoever this adverse spoken/action event actually occurred . . .

*** A NEWLY CREATED, VIRALLY
DIMINISHING, 2-DIMENSIONAL
“CONDITION” REALITY – IMMEDI-
ATELY CAME INTO PERMANENT
“EXISTENCE”!!**

How shall it be otherwise clearly stated? A perfectly created and functioning Universe became permanently tainted and defiled and virally diminished and adversely affected because of a new universal LAW that was established . . . which is the well-known “*Luciferic*” **Law of Sin**. (*Romans 8:2*)

Men shall always live by, and are subject to, various Laws:

1) The Natural Gentile Pagan [*Modern*] Man, lives under and is subject to the virally diminishing “*Luciferic*” **Law of Sin**. And, he does not really have any choice

about choosing **“obedience unto righteousness.”**
(Romans 6:16)

2.) The Natural Abrahamic Covenant [*Modern*] Jewish Man, lives under and is subject to both the virally diminishing “*Luciferic*” **Law of Sin** and the God given Law of Moses. And because he is still an unwitting captive to the “*Luciferic*” **Law of Sin** he has only a limited choice about Mosaic Law **“obedience unto righteousness,”** but he has no actual freedom from the compulsion of the “*Luciferic*” **Law of Sin.** *(Romans 6:16, 7:15-23)*

3.) The Supernaturally exalted, *New Creation Species splinter-group of Humanity* [*Modern Christian*] Man, because of the finished work of Jesus Christ of Nazareth, is able to live under and shall become subject to either the “*Luciferic*” **Law of Sin** *(Romans 6:23)* . . . OR . . . the newly established Law of “*Life in Christ Jesus.*” *(Romans 8:2)* And he shall have the decision of continuing in Sin *(Romans 6:1, 16)* or of laying aside every weight and the Sin, which so easily besets him. *(Hebrews 12:1)* And it shall be at his choice!

If A Man Really Wants to Sin . . . Then Let Him Live Under the Dictates of Sin.

* * *

Because God is a gracious God of mercy and is long-suffering and because He is **“not willing that any should perish,”** *(II Peter 3:9)* you can be certain that a specific catalyst was provided for any rebellious Holy Angel, and for the rebellious “*Other Creature*” *Species* that

lived upon the planet Earth, to be reconciled unto Him.

(II Peter 3:9)

We have no direct Scriptural reference as to what the particular catalyst might have been. However, this author personally believes that the necessary shedding of blood would not have been a requirement factor because the Holy Angel *Species* and the “*Other Creature*” *Species* are not created “**in**” the very image and “**after**” the very likeness of the Living God. And, we can further determine by the process of Scriptural *reflection* of how God deals with men, as to the certainty of His justice.

The passage of *Expired-Time* and the Scriptural record testifies to the fact, that not even one of the original “*Other Creature*” *Species* residents of the planet Earth repented of their rebellion, because the entire planet was flooded at the time of the Judgment of this universal breach and all of the physical Terrestrial-bodied inhabitants of the “*Other Creature*” *Species*, and the additional physical Terrestrial-bodied Animal Compliment of dinosaurs and other various animals that were upon the planet Earth, all drown within the waters of the Flood of Lucifer. *(Genesis 1:2; Psalms 104:6)*

Should there have been any other rebellious fallen from grace individual Holy Angel during this Angelic Probationary Period, which did finally come to their senses and repented concerning the following of an upstart dictator . . . then their repentance and restoration

back unto a good standing position with the Lord God Almighty might not even be revealed unto us when we get to Heaven.

We shall find, concerning the established second Probationary Period for Mankind, that disobedience and rebellion of men Scripturally lasts for approximately 7,000 years of *Operational-Time*. As for the specific length of *Expired-Time* for the first Angelic Probationary Period, we do not have any kind of a direct Scriptural reference but we are able to guesstimate the length of that *Expired-Time* to be about 15,000 years in total.

(The Period begins of course, with the original Creation of all of the Holy Angel *Species*. So taking into consideration the amount of *Expired-Time* from the original Creation of the Holy Angelic Moral-life *Species*, and their development and growth – and then at the appropriate point in *Expired-Time* the Creation of the “Other Creature” Moral-life *Species* – unto the manifestation of the virally diminishing 2-Dimensional “**Condition**” explosive concussion-wave of Sin – and then through the catalyst offer of reconciliation until the final Judgment and consequence, may we liberally guesstimate to be approximately 15,000 years.)

However, just precisely what effect does this “*Luciferic*” **Law of Sin** impose upon the whole of Creation?

Well, first of all, for those that were involved, what once were Holy Angels have now become Unholy Fallen-Angels. They are all still Angels to be sure but now they are Unholy captives to the brand new “*Luciferic*” **Law of Sin**. They are spiritual criminals and subject to the orders of their leader. And their leader, the once Holy Angel Lucifer, has become the Unholy Fallen Master Criminal Devil-Angel Satan. Rebellious **SIN** shall now compulsively drive all of the activities of the captives. (*Romans 6:16*)

* * *

MIGHT WE CONSIDER . . . EXACTLY
WHAT IS THIS
VILE, ACIDIC ELEMENT, CALLED “SIN”?

* First and foremost, **SIN** (*A potential acronym for a Spiritual Interruptive Nullifier*) is a Created non-cancelable unchangeable **Law**. (*Understand that any particular established Universal Law, is a manifest reality that functions on a consistent and continual basis without abatement or failure.*) (*Romans 8:2*)

The “*Luciferic*” **Law of SIN** is the ultimate manifested end-result of the combining together of Individual Personal Desires and unrestricted individual Renegade Thoughts, together known collectively as Iniquity. (*James 1:14-15*)

(Pure Individual Personal Desires are an original gifting that comes with the granted Soulsh element of Free Will or Free Volition, and they are actually designed for the express purpose of creative vision.

And Renegade Thoughts are actually thoughts emanating forth from the original gifting that comes with the Soulsh element of the Intellect, and they too are designed for the express purpose of creative vision.

Those two individual Soulsh segments, when gone astray, and allowed to converge and merge together, and further to actually run amok unchecked, shall produce a Spiritual Death pregnancy condition of iniquity, sometimes called Lust.) (James 1:14-15)

The invisible iniquity mixture working together in league with the virally diminished and adversely affected *Soul Portion* of any individual, (*Including Born Again, Christian individuals*) shall restrict that victim to a continual life of rebellious enslavement. There may be moments of euphoric visions of liberty for the *Born Again* Christian individual, but as long as the “*Luciferic*” **Law of Sin** is allowed to dwell and operate within their being, there shall be no permanent release.

Non-Christian individuals have absolutely no hope of liberty . . . EVER . . . but *Born Again* Christian individuals do. For a *Born Again* Christian, obedience to the “*Luciferic*” **Law of Sin** is now a matter of choice not compulsion, because of the liberating power of the shed blood of the *New Creation* Jesus Christ of Nazareth. Continue to choose to **Sin** and you shall remain in bondage, or stop the sinning and enjoy the unrestricted blessings and benefits given by a Loving, Living God.

* * *

The Scriptural definition is . . . ***"SIN is the transgression of the Law."*** (1 John 2:4; Enhanced)

"For that which I do, I allow not: for what I would, that do I not; but what I hate, that do I.

If then I do that which I would not, I consent unto the Law (of Moses) that it is good.

Now then it is no more I that do it, but SIN that dwelleth in me.

For I know that in me (that is, in my flesh,) dwelleth no good thing: for to will is present with me; but how to perform that which is good I find not.

For the good that I would, I do not: but the evil which I would not, that I do.

Now if I do that I would not, it is no more I that do it, but SIN that dwelleth in me.

I find then a law, that, when I would do good, evil is present with me.

For I delight in the law of God after the inward Man:

But I see another law in my members, (The Law of the Flesh) warring against the law of my mind, and bringing me into captivity to the Law of SIN which is in my members." (Romans 7:15-23); Enhanced)

* * *

The “*Luciferic*” **Law of Sin** is an invisible heinous power of compulsion that drives an individual to yield to the inappropriate lusts and desires of the *Soul Portion* and of the *Body Portion* of the individual personage. The Scriptural definition presented above is quite informative and very accurate concerning its operation.

As long as the “*Luciferic*” **Law of Sin** is allowed to re-enter and continue to dwell within the *Soulsh Portion* of a *Born Again*, exalted *New Creation Species splinter-group of Humanity* Human Being, (*Romans 6:1*) the compulsion to yield to the inappropriate lusts and desires of the *Soul Portion* or of the *Body Portion* of the individual shall continue.

The spiritual *New Birth* event and reality, initially completely removes all residue of compulsion from the exalted *New Creation Species splinter-group of Humanity* individual. (*II Corinthians 5:17-18*) And the immediate indwelling of the Holy Spirit of God gives that individual the power to **freely choose** to not engage in activities that shall invite the “*Luciferic*” **Law of Sin** to once again enter one’s personage and compel the individual contrary to Righteousness and Truth.

The Old Man to New Man Exchange-Position-Program is a Scriptural process of *Spirit Portion* strengthening and *Soulsh Portion* or *Body Portion* denial. (*II Corinthians 7:1; Ephesians 4:22-24; Philippians 4:8; Hebrews 12:1-2*)

Should an individual **freely choose** to refuse the Exchange-Position-Program process, then they shall

remain carnal even though they are redeemed; (*Romans 7:14; 8:6-7; 1 Corinthians 3:1, 3-4*) and they shall willfully put themselves within a dangerous position of potential destruction, Scripturally known of as Ungodly. (*1 Peter 4:18; Revelation 3:16*)

The “*Luciferic*” **Law of Sin** is not something to play around with! The issues of *Life* or *Death* are not some sort of a game. The Magnificent Creator God is an adult and He expects to be dealing with other adults.

Continuing to play the *lust fulfillment* game whether within the *Soulish* mind or concerning any of the *Body Portion* desires is a dangerous endeavor.

The “*Luciferic*” **Law of Sin** is not an attitude but it can affect one’s attitude.

The “*Luciferic*” **Law of Sin** is a real functioning **Law**, and not some sort of an abstract concept.

The “*Luciferic*” **Law of Sin** is not a state of mind, or a moral being, or a feeling or Emotion.

The “*Luciferic*” **Law of Sin** is invisible, but you can see the visible manifestation of its workings everywhere on a continual basis.

The “*Luciferic*” **Law of Sin** shall never go away, or be canceled, or be nullified. (*But it has been overridden by what Jesus of Nazareth did, and is now going to become subject to the Law of Life in Christ Jesus.*)

However, during the Millennial Reign of Christ under an *iron-rod* edict rulership, (*Revelation 2:27, 12:5, 19:15*) the “*Luciferic*” **Law of Sin** shall be minimized within its operations and muzzled concerning its liberality.

“Now the works of the flesh, and of the soul are manifest, which are these, adultery, which is inappropriate sexual activity by a married person, with someone outside of their marriage covenant, fornication, which is inappropriate sexual activity by individuals outside of a marriage covenant, uncleanness, which is whatsoever is opposite of purity, including sodomy, homosexuality, lesbianism, bestiality, and all other forms of inappropriate sexual perversion, lasciviousness, which is the promoting of, or partaking of, that which tends to produce lewd emotions, and anything that tends to foster lust, inappropriate sex, or sin,

Idolatry, which includes image worship and anything on which affections are passionately set, witchcraft, which is sorcery and the practice of dealing with evil spirits, including magical incantations and the casting of spells and charms upon someone by means of drugs and potions of various kinds, hatred, which is bitter disdain, abhorrence, malice, and ill-will against anyone, variance, which is dissensions, discord, quarreling, debating, and disrupting, emulations, which are jealousies and striving to excel at the expense of another, including uncurbed rivalry in the areas of religion, business, society, and other fields of endeavor, wrath, which is turbulent passions, domestic and civil turmoil, rage, and determined and lasting anger, strife, which is disputations, janglings, and contention about words, or contesting for superiority or advantage, including, strenuous endeavor to equal or pay back in like, the wrongs done to you, seditions, which is popular disorder in stirring up strife in religion, government, home

or any other place, **heresies**, which simply refers to a doctrinal view or belief at odds with the recognized and accepted tenets of a system, church, or party,

Envyings, which is pain, ill-will, and jealousy at the good fortune or blessing of another, **murders**, which is to premeditatedly kill a person, or spoil or mar the happiness of another, **drunkenness**, which is a life style of living intoxicated, participation in drinking bouts, and, in truth, being a slave to drink, **revelings**, which is lascivious and boisterous feastings and carousing, with obscene music, and other sinful activities, . . .”

(Galatians 5:19-21a)

AND . . . lying, (which today is telling someone that you will meet them or you will come to their house or you will do something for them – or lying by leaving a message on your cellphone that you will call the party back – and then you never purpose to follow through with any of those things, etc.)

cheating, (which today is doing whatsoever is necessary to give yourself the advantage in anything, etc.)

stealing, (which today is not returning the over amount of change that you received from the store . . . or taking home the pen or the paperclips from the office, etc.)

cursing, (which today is the use of foul language in any degree within your conversation, etc.)

smoking, (which today is definitely a serious addiction and a bad personal habit, for which we make all kinds of excuses for not quitting, etc.)

inappropriate drinking, (which today is definitely a lust of the flesh and can become a serious addiction, and which we will excuse by quoting from the Bible that Timothy was to take a little wine for his stomach’s sake, etc.)

drugging, (*which today is utilizing the drug of choice by stating the legal liberties that exist or the medical necessity for usage or other such foolishness, etc.*)

Or other quite familiar “bad behavior” *Soulish* or *Bodily* activities that we knowingly, consciously, willingly, participate in. (*Which have already been mentioned, but it was far too lengthy for us to read about.*)

* * *

Submission to the directions of the still small voice of God (*1 Kings 19:12*) uttered by the Holy Spirit that is living within each individual, and purposed obedience to the written Truth, and desired Holiness shall keep an exalted *New Creation Species splinter-group of Humanity* individual free from the ententacling compulsions of the “*Luciferic*” **Law of Sin**.

(*Along with a periodic self-inventory of behavior and a confessing and expelling out of your system, of that which the Holy Spirit of God graciously brings to your attention.*) (*1 John 1:9*)

Definition wise: The unending continually working influence of the “*Luciferic*” **Law of Sin** is “*A conscious, knowing, willing, spoken word or action contrary to, and against, that which is known to be right and true.*” It is a word or an action that always results in Death. With every **Sin** something dies!

* * *

Today, through various segments of the Word of God, we can see that the "*Luciferic*" **Law of Sin** uses three avenues of entering into our being: the avenues of thought, of word, and of deed.

Once inside, the "*Luciferic*" **Law of Sin** begins to work like an acidic cancer, corrupting every part of our being that it touches.

Man is in reality a three-part being. He is a *Spirit* being, and he has a *Soul Portion*, and he lives within a *Body Portion*.

The Man who is begotten from God, who has been *Born Again* and has become an exalted *New Creation Species splinter-group of Humanity* Human Being, has within his *Spirit Portion* been newly recreated by the Holy Spirit of God. (*Ephesians 2:10*)

His new *Spirit Portion*, which is the very epicenter of his "nature," has been injected with the *God-Life* force of God by the power of the Holy Spirit. (*I Peter 1:4*)

And that same recreating Holy Spirit of God has repaired and subsequently sealed all of the perforations that the "*Luciferic*" **Law of Sin** had originally caused within his *Spirit Portion*. (*II Corinthians 1:22; Ephesians 1:13, 4:30*)

The seed of God, the very "nature" of God is now dwelling within that newly recreated *Spirit Portion*, (*I Peter 1:4*) and because of that reality, according to the Word of God, that *Spirit Portion* cannot sin any longer. (*I John 3:9*)

The “*Luciferic*” **Law of Sin**’s acidic corroding effect does not penetrate through that tangible Holy Spirit seal and enter again into the *Spirit Portion*. However, it does assault the *Soul Portion* and/or the *Body Portion* mercilessly.

The “*Luciferic*” **Law of Sin** and the workings of the “*Luciferic*” **Law of Sin** are directly opposite of the things of God.

The entrance of and workings of the “*Luciferic*” **Law of Sin** upon the *Soul Portion* of the individual, within the Intellect aspect, causes the mind to operate within the arena of thinking and reasoning, (*Matthew 16:7, 21-25; Acts 28:29*) moving us further and further away from a walk of faith. (*Habakkuk 2:4; Romans 1:17; Galatians 3:11; Hebrews 10:38*)

The mind begins to rationalize its’ own actions and the actions of the *Body Portion*.

The “*Luciferic*” **Law of Sin** causes a dulling of clear perception concerning right and wrong and a literal blinding of the mind. (*II Corinthians 3:14, 4:4*)

Even though it is true that the entrance of God’s Word brings light, (*Psalms 119:130*) the “*Luciferic*” **Law of Sin** causes excuses for not reading nor studying nor meditating upon the Word of God, and so darkness prevails.

We continue to struggle day by day to just survive, and *Romans 7:14-23* is in full-blown manifestation.

(And singing and preaching a continual message after message after message that reminds us of all of our shortcomings and failures does not help

us very much either. We need to be continually exhorted and reminded of who we are now in Christ as exalted, New Creation Species splinter-group of Humanity individuals!)

The mind and the Free Will of an individual work very closely together.

And as that cloud of darkness is engulfing the mind, the battering ram of pressure is unmercifully beating upon the Free Will.

Now understand that the Free Will of an individual cannot be forced. It is something so strong that nothing within the known or even the unknown Universe, short of the Personage of God Himself can force it to open.

However, God will never force the Free Will of a Human Being individual.

But the Free Will of a Man can be petitioned and encouraged to open on its own. With our Free Will we choose. We already know that we should choose *Life*, but the "*Luciferic*" **Law of Sin** will always encourage and drive us to choose Death.

With pressure successfully applied to the Free Will by the powers of darkness, and the mind blinded and confused, a genuine listlessness develops.

Through our Emotions we manifest, within the Natural Realm, what has already taken place and is still working within the Spiritual Realm.

We become sullen, depressed, moody, and touchy. Truly we are angry with ourselves, but that anger is usually exhibited outwardly towards others.

We begin to withdraw from fellowship and become introspective.

We do not become involved with true spiritual activities anymore even though we may be busy with religious projects.

We may still attend church, sing songs, say Hallelujah and smile but it is a façade and not really genuine. On the inside we are lonely and hurting.

We want to do something, but pride usually keeps us from reaching out to tell someone, let alone coming to grips with ourselves from within.

And so, we continue to function within *Existence-life* restrictions. Not moving forward and unaware that we are rapidly moving backward.

We become entangled within a world of bondage again and we don't know how to break out.

The “*Luciferic*” **Law of Sin** also begins to have its effect upon our bodies.

Even though the “*Luciferic*” **Law of Sin** is spiritual and our bodies are natural, un-confessed **Sin** that becomes lodged within the *Soul Portion* of our being and is forgotten, over a period of time begins to germinate and produce natural results. (*Romans 6:23; I John 1:9*)

The basis for all sickness and disease is spiritual.

Where there is no "*Luciferic*" **Law of Sin** there is no sickness and disease.

Heaven has no "*Luciferic*" **Law of Sin** in operation, therefore there is no sickness or disease manifesting there.

Within our bodies here on this 2-Dimensional Earth we become sick.

We seemingly *pick-up* every little thing that comes along.

We are miserable. First from within . . . and now from without. "***O wretched Man that I am! Who shall deliver me from the body of this Death?***" (Romans 7:24)

* * *

Is there a way out? Can I find deliverance? Happily, yes. Ultimately, it will only come to fruition by the power of the sweet Holy Spirit of God. But we definitely have a part to play. We must first come to a place of recognition and acknowledgement of where we are really at. Pretending that everything is OK will certainly not do it. Thinking that it shall all just go away or clear up on its own won't do it either. We must realize the truth of the matter. And then we must act decisively.

The Bible declares that if we confess our **Sin** that God will forgive us. (1 John 1:9) Just as precisely as there are three ways in which the "*Luciferic*" **Law of Sin** enters into our being, (Through the avenues of thought, word, and deed) so there is only one way that **Sin** shall ever leave.

Sin must be verbally confessed out of our being, and out of our system, and out of our life!

We verbally confess **Sin** out of our system much the same way that our stomach rejects and expels sour milk. And generic confession is not very effective. We must be willing to look seriously at the areas of **Sin** that may be within our lives.

Current questionable attitudes, various patterns of speech, established prejudices and known lying; constant breaking of the recognized civil, traffic, natural, and spiritual laws must change.

The list seemingly is endless. How undisciplined are we? How irreverent are we? How selfish are we? How unthinking are we? The river truly does run deep! But there is a way out. And if we shall walk step by step that path of deliverance and release, we can become free and stay free!

My decision is not going to be up to you. And your decision is not going to be up to me. Time is indeed ticking away. Shall we become victorious? Let's give it some thought.
